FEZ

JANUARY/FEBRUARY 2021

From the Potentate

I welcome you all into 2021 and hope we can start meeting in person again in the near future. As I write this in December, we are awaiting the emergency release of the FDA approved COVID vaccines and hopefully they are released by the time you read this. The FDA has been working with several approved pharmaceutical companies since Spring to do the three phases of testing required in the United States. The requested releases are for several million doses and they will go to junior and senior populations first.

In Pennsylvania we follow the chain of command from the Governor to the PA Grand Master. This is well publicized in the Philadelphia media and Governor Wolf recently increased restrictions because of recent increases in COVID positive tests, full hospitals and confirmed deaths. LuLu Shrine has been very careful in its meetings with most meetings being remote ZOOM meetings. We are using that option as much as possible and will continue that until there is a significant decrease. That may take several months to determine if the finally approved vaccinations have a serious impact on declining COVID positive tests.

LuLu Shrine Temple is financially in excellent condition because we have reduced our budget and have had a great response from our Nobles volunteering for expensive services like mowing our lawns, plowing snow, painting and general maintenance on our great facility. Several retired Nobles come out every Wednesday to maintain the building and grounds. We have continued to increase rentals and have rescheduled events postponed because of COVID restrictions.

The year will start off with the Business Meeting and Installation of the Divan on Wednesday, January 6, 2021 at 7 PM in the Ballroom. As I write this, we have not finalized the format because we won't have current COVID information on PA seating capacity until a few days before the event.

This will be followed on Saturday, January 9, 2021 by the Installation of Club and Unit Presidents. Because of the COVID restrictions in December we are planning a limited dinner installation with a limit of fifty Nobles and their ladies. We will need to monitor this very closely and contact the newly elected Club and Unit Presidents by e-mail and phone as we get into January. We are taking the time to carefully explain the planning required without knowing what rules and restrictions will be in place as we go into 2021.

This will be a reality as we go into 2021 because we don't know how much worse the COVID Pandemic will get before the FDA rolls out an extensive vaccine program and determines its effectiveness. The media is all over this so we all can monitor this through the Holidays.

We have the full 2021 calendar online and are anxious to get back to Shrine business as we know it. Our theme is "Having Fun in 21" and we will do whatever it takes to keep the Shrine traditions alive!

I look forward to serving as your Potentate in 2021 and will closely monitor the COVID and Pandemic recovery as we get into the new year.

By: III. Sir Bill Adamson, P.P.

Here we are in January. Happy New Year! It's here...2021. Let's move into the new year as best as possible, keeping in mind our Imperial Potentate's theme of "fun and fellowship." We'll have to take each day as it comes and keep moving forward.

It may be a little while before everything gets completely back to normal (or the new normal) but let us not get discouraged. The winter and being stuck in the house aren't always a lot of fun, but if necessary, we'll have Zoom meetings and phone calls (at a minimum) to stay in touch.

The Potentate is looking to have a fun event each month during 2021, but he did say "we'll have to stay flexible." If we do have an event PLEASE come out, help join in on the fun, as well as helping to create some fun for all. Participation is the name of the game.

As a vaccine becomes available make sure you go out and get the ones you need. It appears that it will take at least two shots several weeks apart. Don't miss out! We will need these shots to stay safe and move forward.

In the meantime, please keep the office staff up-to-date and informed if you hear of anyone who has become ill. This way we can keep all our members and families informed and in our prayers.

Please stay safe. Watch out for your family members the best you can. Hopefully we'll all get to be together in person soon.

In the meanwhile, congratulations to all the 2021 officers of each of the clubs and units. Look forward to the best year you can have under the circumstances.

So again, STAY SAFE!

Motor Unit Report

By: Paul J. Feigel, Sr.

As race cars position themselves to pass beneath the checkered flag thereby signaling the finish of the race, we have reached the end of the year. Thank God, if you are reading this, you are on the sunny side of the grass, surviving the year 2020 dominated by COVID-19.

We could dwell on what could have been, but we had a successful year considering all of the cancellations. Our Superbowl party and visit to Shriners Hospital were well attended. It was also the last live visit to the hospital for the year.

Jesse Johnson is our President elect for 2021 with Ill. Sir Joel Ward and Carl Levin repeating as Treasurer and Secretary. We wish them well for a successful year in 2021.

Congratulations to Bobbie Hallowell for winning the motor unit basket of cheer at the first lady's luncheon. Ill. Sir Matt Hallowell will have fun playing with his new car (matchbox).

It has been a pleasure and a privilege to serve as Motor Unit president for the past year. Thank you.

From the Membership Committee

What's Your Number?

Nobles, you are not only a member of LuLu Shriners, but you are a partner in LuLu. As a LuLu partner, you have an obligation to assist in its survival and growth. Most organizations judge their partners by the business they bring in. It is imperative that our LuLu partners bring in new members for our survival.

Membership is the life blood of LuLu. Without it, as you know, it would not grow and may not survive. The Membership Committee has provided a program to encourage you to bring in new members. It has been approved by your Divan. The program is called... What's Your Number? With this program, your LuLu dues may be forgiven for the rest of your life!

If you bring in 25 new *members (starting in 2021), the year after you have achieved this goal, your membership status will change to a Total Life Member and your Shrine dues will be forgiven for the rest of your life! NO DUES FOR THE REST OF YOUR LIFE!

Our experience in other masonic organizations

demonstrate that this is an achievable goal. As with any major achievement, to be successful, it takes focus and diligent work.

Before you achieve this goal of 25 new members, there are interim goals and rewards.

Bring in 3 new members in one year, the following year, your dues would be forgiven.

Bring in 7 new members in one year, the following three years, your dues would be forgiven.

Keep in mind, whenever you bring in one or more members, that number of members are added toward your goal of 25 members.

As a partner in LuLu, we hope and expect that these goals of 3, 7, 25 new members, will give many of you an incentive and challenge. We all have friends at LuLu. Let's see, among your friends, who can achieve the highest number of new members. So... "What's Your Number?"

** A new member is a candidate who has provided the Recorder a complete and acceptable Membership Petition; fully paid his initiation fee; and has completed his initiation in a Ceremonial.*

LuLu Activities Club

By: Mike Feldsher, Club Founder

The crackle of fire and the warmth of being able to see everyone was present at the 1st annual LuLu Activities Club movie night. The movie night was held on Friday night October 30th, the day before Halloween. We had over 34 Shriners and their family members in attendance watching outdoor movies on two different screenings. One of the screenings we were showing a classic 80's action movie, which had several of the guys sitting over there.

Another screening where the fire pit was located the kids were first watching a classic Halloween special and then followed by the Slimmer, Vankman, Stanz, Spengler, Zeddmore battle a large Marshmallow monster. These classic 80's movies were enjoyed by all.

There was a nice assortment of food. There was pizza, fried chicken, hoagies, snacks and desserts. The children who attended roasted marshmallows and some of the adults roasted hotdogs. Even though the temperatures were a bit chilly everyone enjoyed themselves and asked when we were going to do another outdoor movie night.

I am pleased to announce that we have four outdoor movie nights scheduled in 2021. All these movie nights are open to Shriners and their families. We run these events barebones and are just trying to break even with the food expense.

Hospital Rounds

By: Noble Thomas A Spoltore, Secretary, Board of Governors

Well another year has zoomed by and with it the anticipation of welcoming our new 2021 Hospital Board members. It is both a celebratory as we welcome new Board Members and heartfelt as we say goodbye to those who have completed their 9-year commitment and now join the ranks of our emeritus. We at LuLu are fortunate to have several emeriti members who continue to contribute at a high level to the Hospital Mission. Their devotion and dedication to the Shriners Hospitals mission remains a constant reminder of what makes our hospital system well respected not only nationwide but also worldwide.

Joel Brookstein and Harris Brooks completed their 9-year term several years ago and because of their continued commitment and dedication have mentored, supported and guided current board members since completing their term on the BOG. Their long history and experience of participating as a Board Member is an asset to all current Board Members. A big Thank you goes out to Joel and Harris for their continued support.

By the time this article has been published the Holidays will be in the rear-view mirror, I hope everyone had a very Happy, Holy and Safe season. The pandemic has certainly changed our way of life and how business is conducted. Our Shrine Hospital has been improvising, adapting and adjusting to the ever-changing atmosphere in health care. I am very pleased to say that our patient surgeries and therapies continue to be on a steady pace and as

productive as they were pre- pandemic. But the mission continues to need your support, so please keep up the hard work that you have provided over the many years to make our Hospital one of the finest in the system.

I'm going to close with a reminder that a call for nominations to serve on the Board of Governors beginning in 2022 will be sent to all the Potentates and Recorders in January. The nominees will apply to fill these vacancies of Board Members whose term ends December 2021. Those applying are required to serve a 9-year term beginning on January 2022. So for those who have the desire and conviction to make a difference, look for the upcoming notice from our LuLu Potentate and Recorder.

Across the Sights and Along the Lines of the LuLu Rod and Gun Club

By: Gary Portnoy

The Rod and Gun Club continues to function during this pandemic. We hold monthly Zoom meetings. We also get together weekly to shoot: Trap, handgun, and Sporting Clays. Our monthly meetings are still by Zoom but outdoor shooting continues.

Six of our members attended the annual Cast and Blast at Thrrophy Mountain. Our participants included: Chief Rabban, Dave Gingras, Asst. Rabban, John Green, Jim Rowdon, Ray & Jason Bloemker and Chas Pierro. A total of twenty-five birds were harvested.

Chef Chas created the welcome night banquet and managed to maintain all ten fingers in spite of iffy knife work.

We continued to shoot sporting clays at Lehigh Valley Sporting Clays in Copley, PA, just north of Allentown.

Bucks County Shrine Club

Winter Happenings at the Bucks County Shrine Club

During the colder months as a club we always enjoyed being together at our monthly meetings and chatting. I know all of us miss seeing each other, hearing about each other's families. Unfortunately, we will have to put these wonderful things on hold until the spring months when things get to open back up again safely. All of the elected officers are thoroughly looking forward to seeing everyone soon.

We are pleased to announce that we did hold an in person board executive board of directors meeting at the VE Club on November 9th. The board meeting was well attended by the officers and past presidents. All of the seating and tables were safely distanced apart to follow the proper health regulations. We did manage to get a lot of the outstanding business resolved and are moving forward with the 2021 agenda. The committee checked in with the VE club for future meetings.

We have lots of exciting programs tentatively scheduled next year with in-person meetings hopefully in March. We are all looking forward to the leadership under Ill. Sir Joel Brookstein. Please email us, buckscountyshrineclub@gmail.com and or check out our facebook page <https://www.facebook.com/groups/Buckscountyshrineclub/>. During the winter months we will continue to have our zoom meetings.

We are excited to announce our officers for the 2021 Shrine year: President Illustrious Sir Joel Brookstein, 1st VP Sean Dougherty, 2nd VP Mike Feldsher Past President, Secretary Ted Elke and Treasurer John Cassanover. Trustees Robert R. McQue Sr., Robert Swan, Sr and Illustrious Sir Matt Hallowell, Sr. We also want to thank our 2020 President Ray Bloemker for his strength and leadership during this very difficult year.

Lastly, I just wanted to look back at our meetings from January through March. Our attendance was up about 25% percent and we all thoroughly enjoyed the Fitzpatrick Irish Dancers. On Tuesday March 2nd, 2021 at the VE Club we are expected to see the wonderful young ladies dance to the Celtic music. The dancers are always one of the highlight meetings of the year.

We look forward to seeing everyone via Zoom and in person in 2021. Stay Safe and healthy. You will be in our thoughts and prayers.

Quaker City-Montco Shrine Club

By: Michael Feldsher, President 2020

The trees are bare, the ground is almost frozen, and we are still living in the pandemic. Despite all these things the Quaker City-Montco Shrine Club has managed to keep our members engaged. Everyone's mental health and wellbeing are of our utmost importance. We even managed to have an outside socially distanced meeting on Halloween morning.

I know that most of our members have managed to do a good job of seeing how everyone is doing with phone calls and seeing people via zoom. However, I am sure there are a few people whom we haven't spoken to. Please know that we are here for you and are willing to help if possible. I know there are members who I have spoken to who have had trouble getting groceries and or just want to hear a kind voice.

Like most clubs and units, we have basically been forced to live in the "Zoom" digital world. I strongly feel that the club has thrived in performing this switch from the in-person dinner meetings to the virtual meetings.

As mentioned earlier, we held a meeting on Halloween morning October 31st at 10:30am to elect our 2021 officers. We had 19 nobles present including most of the LuLu Divan. We titled this meeting "The Lox, Bagels & Cream Cheese election". Every noble in attendance got

a bagel of their choice with their favorite cream cheese, lox and coffee. I am pleased to announce that the following officers were elected to lead the club in 2021: President Arthur Binder, 1st VP Donald "Stinky" Fink, 2nd VP Stephen Rashkow, Treasurer Dennis Gold Past President, Recording Secretary Barry Oppenheim Past President, members at Large: Jerry Springer, Mark Weinstein & Illustrious Sir Finky. Our stewards will be Fred Ruderick Past President, Leon Werb and Tom McDonald. Also, during the meeting, we showed everyone our new float titled "A.K.A. The World's 5th Largest Fez". In the coming months when the parades start, we will be active participants.

During the meeting we also showed everyone our new Charter Mounting and Flag Display. The charter and flag will be brought to all our meetings in the future. I am also pleased to announce that a copy of our original charter and 60th anniversary charter has been framed. These two charters will be given to LuLu and placed on display there.

Unfortunately, as all of you now know one of our members who was present at the outdoor meeting three days later tested positive for Covid-19. He and his family have been suffering from the virus ever since. I know they are in all our hearts and minds.

(continued on page 17)

Legion of Honor

By: Gary M. Portnoy, PC

The Legion of Honor continues to meet by Zoom. At some point we will need to decide how to go about our installation of officers. Currently there is a serious surge in COVID-19 cases which will affect our decision. Perhaps we can schedule a ceremonial Change of Command in the spring after vaccinations are readily available.

Elections/Officers

On 26 October 2020 we were presented with the slate of officers for 2021. The nominations were closed and those nominated agreed to serve if elected. At the November Zoom meeting those nominations were voted on. The following officers were elected and agreed to serve their positions in the LuLu Legion of Honor 2021.

Commander Ill. Ed Blum
1st Lt. Commander Rick Rodgers
2nd Lt. Commander Greg Hass
Adjutant Gary Portnoy PC
Finance Officer Gary Portnoy PC

All other officers are appointed.

Arlington Cemetery Tomb Trip

The Arlington Cemetery Tomb Trip for 2021 is scheduled and approved by Arlington National Cemetery. We are programmed to arrive by bus at 1215 hours and to proceed to the Amphitheater for a wreath laying at 1315 hours. We are listed as an Honor Flight which allows us to take the bus up to the site and park it in the Wheaton parking lot. Arlington is still closed, at this point, to all visitors except those with passes visiting loved one's graves and internments. We are confident that those restrictions will be eliminated by November. We will attempt to use the trams to tour the entirety of Arlington as was planned for this year. Plans are to have a Mission BBQ dinner at Montgomery-Cornerstone Lodge # 195 in Rockville, Maryland as was planned for this year.

Dues

Thank all of you who have remitted your 2021 dues and hospital donations. Fifty-two out of one hundred-three members have submitted their dues. We have collected \$730.00 for the hospital which is well above average for this time of the year.

Members

A number of our members and their spouses have recently been diagnosed with COVID-19 and in some cases were hospitalized. One couple was recently hospitalized. We hope and pray for their recovery. Please stay safe so we can all meet in person at some time next year.

The Legion of Honor meets on the 4th Monday of the month in the LuLu Merrymac Room.

2020 from Northeast Shrine Club's Point of View

2020 is probably in the history books by time you read this article. It was an unusual year by any standards. We started off with a great brunch and installation of officers. We also had some director and regular meetings at Cannstatters Volkfest Verin. Then the Covid-19 virus became a reality.

Since then all our meetings have been using Zoom. We have had board and general membership meetings. At some we had speakers, such as Gary Portnoy about the military and World War II.

What I really wanted to mention were the non-meeting items that occurred during the year. First, I want to mention those we lost during the year. This list might be incomplete because the article was written earlier. We extend our sincere condolences to the families of those that were visited by the Black Camel.

- Noble Charles Blinn
- Noble Lee Cannon
- Noble Harold Irwin
- Noble William Pruitt
- Noble Charles E. Quaste' – Past President '01
- Ill Sir Charles R. Young – Past Potentate '96

Second, I wanted to discuss the charity work that

Northeast does. Upon losing a member of the club, we send a donation to Shriners Hospital. Additionally, we donated to the Shriners Hospital Plaque Program. This year we were able to make a \$10,000 to the "Walk for Love" Walk-A-Thon held on October 3, 2020 at the Philadelphia Zoo. Several members and officers attended this great event. We also love our golfers and sponsored a hole for the Lu Lu Golf outing that donations to Shriners Hospital. We also support our Lady's Auxiliary with operating funds.

This year was different for Hells Bells. This is our parade motorcade unit. We repaired the trailer that carries Hells Bells to a parade. With the virus it did not get much use.

Hugh McGinniss oversees our good and welfare for the Northeast Shrine Club. Hugh always keeps us informed of the members that are not doing well. We always send a card to those we know about needing a little cheering up. Please let Hugh know if you or a family member is ill.

Northeast Shrine Club is here for its members and family. We have tried during this unusual year to be there for our membership. Please stay in touch, attend our meetings either by zoom or in person. We look forward to seeing you soon.

Quaker City-Montco Shrine Club *(continued from page 11)*

Fortunately, though no one from this event got sick and/or tested positive for Covid-19. We did follow all recommended health and safety guidelines, which is why I am sure no one contracted the virus at the event. I still pray and hope that soon we can have actual in person meetings.

Only a few days later, Thursday November 5th, the club virtually hosted Hollywood composer and producer Mike Verta. Mike spoke about the StarWars 4K restoration project of the 1977 original film. Mike showed us examples of his restoration work on various scenes and how he has cleaned up many of the original images. One example that he showed was the "X-Wing" ships in space forming in formation and the "deep blacks" of outer space. Mike's told us that his project is about 85 percent completed and he

hopes to someday have permission to show the completed work to others.

On Saturday November 28th, 2020 at 7pm the club played Zoom Bingo. The event was enjoyed by everyone who participated. Wawa and Amazon Gift Cards were given as prizes.

On Thursday December 3rd the club will be having its last stated meeting of the year. We are expecting to have a local television personality to speak to us that evening.

In 2021 we have lots of exciting and new programs to offer to the Nobles of LuLu Shrine. If you are interested in joining and or seeing what we are about please see our Facebook page and or email us at quakercityshrine@gmail.com

Lulu Activities Club

(continued from page 6)

Two days later on November 1st we gathered again outside on Sunday night to watch the Eagles battle the Cowboys on Sunday night football. The President of the Club, Illustrious Sir Finky, said "Watching the game outside is awesome especially considering the screen is a 300' wide wall". The event was attended by 15 members who enjoyed pizza, snacks and s'mores.

The club also has been hosting the last day of the month entertainment zoom parties for the children at the hospital. During the past few months, we have partnered with some of the LuLu clubs and units. On November 30th we exclusively hosted the party for the children. The featured entertainment was Chico Vibe who played various songs like Puff the Magic Dragon, American Pie, If I only had a Brain and Dominic the Donkey. We were pleased that several of the kids in the hospital viewed the party.

In the coming months we are planning on more outdoor sporting viewing activities that everyone can enjoy.

In 2021 we have an action-packed calendar of events. Some of the highlights are wine and spirit tasting, axe throwing, attending plays and so much more. The cost of our membership is only \$10 and will include a free ticket to a play in 2021. For more information about joining the LuLu activities club please call Illustrious Sir Finky at (610)633-3333 or email him at finkclown@aol.com. We look forward to seeing everyone soon. We are all praying for your help, safety and wellbeing.

Sightings from the Crow's Nest

Ahoy Mates and Welcome Aboard for 2021 and Our 61st Anniversary

By: The Old Salt

It was an unusual past year because of the Corona-19 storm and ongoing now. We have been totally docked in lieu of winter sail trips. We are still having our "Land Cruisers" in lieu of sailing. Two major social events, on Sunday December 13th our crew's Holiday Party at Joseph Ambler Inn and on Tuesday, January 12th at Pine Crest Country Club, our Change of Watch for 2021 Bridge Officers to be installed.

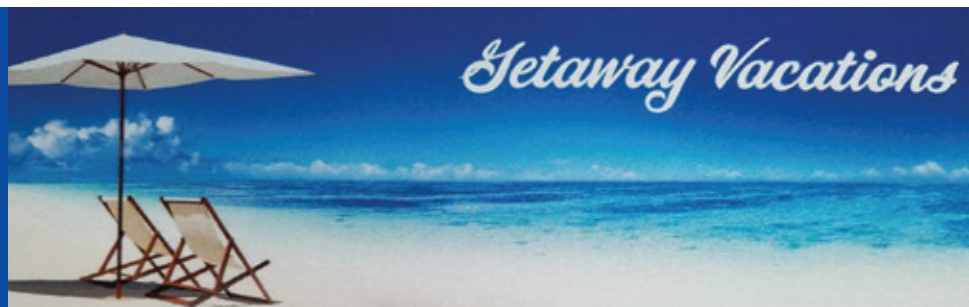

Well, we are into a new year of riding the waves of the Yacht Club social events. If you like to be part of our crew watching the sun shining on the water during the day and watching the sun set into the sea and the moon glowing on the water at night, please attend one of our raftings over

an informal dinner with our First Mates (ladies). We meet on the second Tuesday of the month sunsetting at "Pier" Phil's Tavern, for a cockpit Dutch treat night. Call our Rear Commodore if you plan to anchor/raft with us.

Note: Mates our crew (Bridge) meeting are held on the fourth Tuesday of each month at LuLu room 10 at 7PM.

At times, a land dinner is held at a public restaurant when we want to be formal in lieu of our pier dock dinner. We are planning that we will not have to wear foul weather gear during 2021 Sea Trip year.

If you are interested in being a crew member by boating, sailing, social activities contact Mate (Noble) III Sir Matt Hallowell P.C. at 215-918-0418.
