From the Potentate

**Illustrious Sir
John H. Green, Jr.
Potentate 2022**

Well, January and February have flown by. Our Club and Unit Installation on January 8th was well attended and Jaime and I appreciate the support. We also had the Masonic Breakfast on January 22nd. We were host to the new Right Worshipful Grand Master, Noble and Brother Jeffrey Wonderling and his entourage. A good time was had by all.

Spring is around the corner and we have many exciting activities planned for you. We have our St. Patty's Day party on March 12th. This promises to be a fun evening and Ill. Sir Ed Blum and Lady Jacquie have planned a night of music, food and entertainment. Come out in your leprechaun outfits and plan on having a great time.

On April 10th we are having our Breakfast with the Easter Bunny. Bring the kids, grandkids, neighbor's kids and anyone else you think might enjoy a hearty breakfast with our bunny. Ill. Sir Joel Brookstein and Lady Margie have a fun time planned for all.

Our Spring Fling Potentate's Ball is on April 23rd chaired by Noble Erv Kaucher and Lady Doris. Don your finest duds and come join us! We will dance the night away!

As you can see, Shriners enjoy a good time. We look forward to being with our friends, sharing camaraderie and creating memories. We have many units and clubs that should satisfy whatever you enjoy doing. The important thing is for you to participate. Our Shrine is for our nobles. We want you to come out and mingle with your fellow nobles. This helps to make our Shrine strong. You know the saying, the more the merrier!

That being said, I hope to see you at some or all of these events.

Recorder's Recordings

By: Ill. Sir Gary Davis, P.P.

As I sit and put my thoughts into words, I find a new respect for those men who served our Shrine as Recorder. It certainly requires a bit of patience and humility, so, moving forward, I hope I can rise to the task.

There seems to be some confusion on the difference between what we term as "Fraternal Fundraising" versus "Charity Fundraising". One major difference is how the IRS code handles them with regard to deductibility. Charity events are deductible while Fraternal are not. If a business supports a "Fraternal" event, it may claim the expense as advertising. However, if an individual contributes to the same event, it is not deductible.

The same holds for Blue Lodges supporting our events. If they choose to contribute to a "Charity" event, they are able to use Lodge charity funds. However, if the wish to support one of our "Fraternal" events, they are limited to using general fund monies.

The difference becomes clear when you see the disclaimer that we are required to put on our

"Fraternal" event advertising. "Proceeds are for the benefit of LuLu Shrine and are not tax deductible." Most of you will remember seeing this on our Circus, Rodeo, and Haunted House advertising.

Another question that seems to come up is how we handle PA state sales tax. LuLu is a fraternal not-for-profit, 501 (c)(10) organization. While we do not pay income or school taxes, we are required to pay sales taxes. Our hospital system, Shriners Childrens, is a charity, 501 (c)(3), that is tax exempt. If a person contributes to our hospital, it is deductible for federal purposes.

At the Shrine level, we do hold "Charity" qualifying events. Our Paper Crusade / Plaque Program, Charity Golf Outing, and our Transportation Fund are examples whereby contributions are deductible. When you send in your dues, keep in mind that the Hospital portion (\$5.00) is deductible. Any additional amount that you earmark to the hospital, our transportation fund, or any of our "Charity" fundraisers would also be deductible.

As the year progresses, we are all hopeful that any remaining restrictions will be lifted so life can somewhat return to normal. At LuLu we are open for business. Our Potentate has many fun events planned for our Nobility and their families. We are following the county health regulations and our rentals are strong. In fact, most of our Saturday nights are taken. We continue to make improvements where we can, repair what is repairable and keep the facility clean and safe for our members and the public.

I hope to see you at one of our events soon. Until then, stay safe and warm.

Carlo, Sr., Carlo, Jr., Ed and Scott Malantonio; Ken Kirkpatrick, Phil Candelore, George Scheerbaum, Scott Simkins, Tim Bossert, and Bob Ochotny. We are a small group of nobles whose purpose is to feed the Potentate, Divan, and all the Nobles when needed.

Just last month we successfully fed about 350 brothers at the Masonic Breakfast. Thankfully, we were assisted by Ladies (Jaime Green, Debbie Scheetz, Kathy Feigel, and Cheryl Davis) since we were short of help. Like all the other clubs and units, we need more nobles to join us. Did I say that everyone enjoyed the meal?

We are happy to help any club or unit needing to be fed. Give any one of us a call to let us know about your event, how many are attending and what meal you would like to serve. Give us the courtesy of a little advance notice and we will prepare a great meal for you.

LuLu's Train Club

By Tom Spoltore, Train Club President

Well as advertised our newly established Railroad Club had it first meeting on Groundhog Day. Our first meeting had 15 train enthusiasts in attendance. The gathering was a very eclectic group; some including myself were novices while others had some real expertise in various aspects of the hobby. Several guys shared videos of their train platforms and believe me they were very impressive. Our club plans to meet on a monthly basis to establish a firm foundation and for planning future events. We currently are planning on having a train display at the Breakfast with the Bunny as well as the FEZtival of Tree events.

If you have a train set in your basement from your childhood and would like to give it a home where it will be refurbished, valued, and displayed please let me know. I will come and pick it up. When it is used on a display at an event, we will honor you donation with your family history regarding the train's past.

There are many train shows taking place in our area as well as the surrounding counties. Some of our members are already planning on attending as a group. Look for future notifications regarding visiting some of these locations and feel free to join us. It will be a great opportunity to create some memories with your children or grandchildren.

We are still looking for new members, new ideas and new insight into this fledgling club, so join us at our next meeting. If you would like more information regarding our club meeting dates or future event planning, please feel free to contact me at either taspolt@gmail.com or 215-264-1273.

Keep on Chugging.

Reconnect With Your Passion

By Noble Luis Oviedo, Membership Chairman

As we continue to learn to co-exist with pandemic protocols little by little, LuLu Shriners continues to open its doors to its members, and we are delighted to see that the fellowship spirit remains intact. The recent Masonic breakfast and the Festival of Trees are two examples that our members and families are ready to come back to our home and share beautiful moments like those.

However, despite the excitement and success of said events we continue to see a decline in our membership at an alarming pace. Being a new Chairman for Membership moved me to dive deeper into the reasons why this has been happening: cost of dues, distance, loss of interest in the events offered at the Shrine or just not seeing the value of belonging to this organization were some of the reasons I heard. Quite an eye opener if you ask me.

Perhaps the questions you should ask yourself is not what you can get from the Shrine but try to remember Why you joined in the first place. Try to remember your first signer on your petition, try to remember your first class and introduction to the membership.

Becoming a Shriner to me was life changing. I met an outstanding group of people that is fully engaged in helping others while having fun. I have a new understanding of what unconditional love for others means and I'm very proud to wear my Fez whenever I have the chance. Each one of us has a passion and an

opinion that matters, we have the structure and the support to bring to life anything that you would like to see happening here, at your home. In just the last month we witnessed the creation of a couple of clubs and units that have exciting programs for the year.

We need you; we want you to reconnect with your passion and come see that there's a lot going on at LuLu. Let's talk, give us an opportunity to show you why we are here and why you should come back and become an active member. And not just you, bring your families and your friends. Show them how beautiful your Shrine is.

I know that times are hard, and money can be an issue but let's not get discouraged by that, there's always a solution we can provide, just give a call to our Recorder, Ill. Sir Gary Davis, (610-828-9050) and he will be able to provide some guidance.

I want you to send me an email or give me a call because I want to tell you my story and why I find LuLu Shriners so meaningful and valuable.

Remember that you are a part of one of the greatest philanthropic organizations in the world.

I can be reached at by phone at 703-895-1856 or email at luis.shriners@gmail.com. I look forward to hearing from you.

LuLu Klownz – Character is Important

By Dennis Gold

Character is a trait that is important to everyone, even clowns. Each person has their own identity and part of that is their character. As show in this picture, all clowns determine their character and how they will interact with others. All clowns have wear makeup and a costume that makes their character distinct.

Hopper, Boz and Zayda, below, are examples of three different costume themes. Each has taken significant time to develop their makeup and costumes. While all clowns try and be warm and respectful of others, they

all do it a little differently. The picture above is from an outing working to make children enjoy a holiday party.

This year the LuLu Klownz decided that as part of their character they wanted to develop a new logo. Centered is our new logo. We hope you like it. It is a statement of our character. That is to enjoy being a clown representing LuLu in the best way possible. We hope to see you soon at the next event. You are always welcome to contact us and become a clown and develop your own character.

Motor Unit Report – Super Bowl

By: Carl Levin, Secretary

Mother Nature was cooperative on Superbowl Sunday. It snowed but luckily not much stuck to the roads or our parking lot. This year we decided to go for a larger venue and have the Superbowl party in our main ballroom in order to increase the participants. The Motor Unit and the Activities Club combined our forces to host this party and promote our Shrine. The event was a rousing success as we got at least 6 new petitions. Most of the attendees were from various Blue Lodges. I want to give special thanks and recognition to the following people who helped make this event a success. Ladies First - these women served the food all day from 4:00 PM until after 10:00 PM and they are a credit to us. Kathy Feigel, Cheryl Davis, Gail Stein, and Kathy's friend Barbara who grew up in Freemasonry and Shrinedom, First Lady Jaime Green. Motor Unit - Jesse Johnson, Jr. Carl Levin, Frank Flem, Barry Hyman, Paul Feigel, A.R., and Ill. Sir Gary Davis, Recorder, Ill. Mike Feldsher, H.P.&P., and a special thanks to Riccardo who helped me set up the room and carry up the supplies from our meeting room. We appreciated them setting up the remote cameras especially as our main camera overheated in the first quarter. Both groups picked up a few new members. The food was good, not much was left over this year, and we didn't get cleaned up until close to 11:00 PM. My tail, as was the tail of every other volunteer, was sure dragging by the end of the night. I still want to know who ate all of Gail's cookies? They were supposed to be desert.

Getting ready for the parades to start soon. Thanks again for your support.

The History of the Shrine and LuLu Temple – Chapter XCVII (97)

(continued from page 11)

November 5th, 2021 – Noble John H. Green Jr., and Lady Jaime hosted LuLu's 2022 Planning Night, themed, Make LuLu Great Again, in the Merrymac Room.

November 18th, 2021 – LuLu's FEZtival of Trees ran from November 18th – 21st. This magnificent family-friendly event was enjoyed by all. The ballroom was packed with decorated trees, wonderful vendors and even Santa and Ms. Claus made an appearance! Those who were able to attend were able to enjoy the festivities while indulging on a wide assortment of sweets and goodies. Photos with Santa and Ms. Claus was indeed a delightful touch. Many also donated toys to the Toys for Tots (in conjunction with the Knights of St. Andrew via the Valley of Philadelphia, Ancient Accepted Scottish Rite).

December 11, 2021 – The Lulu Magic Show went off without a hitch and those that attended had a wonderful time and were thoroughly entertained. A special thanks to the Nobles and family who sold/purchased tickets on behalf of the membership.

The 2022 Divan is as follows:

99 Bottles of Beer on the Wall

“99 Bottles of Beer” is a song dating to the middle of the 20th century. It is a popular traditional reverse counting song in both the United States and Canada. It is often sung on road trips with children.

The lyrics start:

*99 bottles of beer on the wall
99 bottles of beer
Take one down, pass it around
98 bottles of beer on the wall*

*98 bottles of beer on the wall
98 bottles of beer
Take one down, pass it around
97 bottles of beer on the wall*

I picked this topic for several reasons. The first is that this is the 99th year of Northeast Shrine Club. So, the song seems fitting to mention our anniversary year.

The second reason is that it seems that beer is a popular drink at our meetings. The membership really enjoys having some beer and socializing for the hour before a meeting. This social hour is complimentary, and the

camaraderie is what Shrinedom is all about.

A third reason for bringing up “99 bottles of beer on the wall” is membership. Although the song is about beer, when you look around at a meeting there are fewer and fewer members coming out. Also, we are losing members as they are unable to attend or pass away. Each year there are fewer and fewer of the Northeast Shrine membership. We are always working on changing this and bringing in new members, but the black camel seems to be winner.

There are two special events that I wanted to let you know about. The first is our annual weekend in Ocean City, NJ. It will be June 3-5, 2022. The second is a wonderful day trip to the U. S. Naval Academy, Annapolis, MD on Sunday, September 18, 2022. Both event’s sound like an exciting time with our nobles and ladies. There will be more information to follow.

We look forward to seeing you at our next meeting and having one of the 99 beers on the wall with us. We believe you would have a fantastic time joining the meeting and sharing in the masonic and shrine brotherhood with us.

The Fiddler on the Roof at Cannstatter Volkfest Verin

On a very cold Sunday in the middle of January, if you listened closely, you could possibly hear the Fiddler on the Roof. In all seriousness, the show, *Fiddler on the Roof* is about traditions. So, I could hear the Fiddler playing at Cannstatter in my mind. He was reminding me of all the January installations I have attended over the years for Northeast Shrine Club. I could remember some of those that were not with us such as Dominic, Albert, and Ed and the list goes on. We also missed those that were ill such as Rich and Chris. I don't want to be sad on this very exciting and exceptional day.

The day started with a business meeting accomplishing a considerable amount of work. Everyone was very excited to begin the day. Our 2022 President, Joe Long, was ready with an agenda of items. We approved a \$10,000 to the "Walk For Love" in October among some other important items. As members and their

ladies started to come into Cannstatters, they were checked for Vaccination cards. Philadelphia was requiring that at all restaurants at the time. Everyone was dressed in their attractive outfits, and we saw a sea of bright red sports jackets.

The head table included Michael (2021 President) and Jaclyn Chaykowski, Joseph (2022 President) and Patricia Long, Harry (1st Vice President) and Myrna Frajerman, Illustrious Sir Zalig (2nd Vice President) and Gail Stein on one side. Then there was Illustrious Sir John and Jamie Green, Jr., Illustrious Sir, Joel (Secretary) and Margie Brookstein, Vincent Buocchinfuso, Jr. (Treasurer) and Eda.

On this beautiful day there were five past presidents at the head table. Illustrious Sir John Green, Jr. was happy to feel at home again. He was the President of Northeast Shrine in 2009. This is keeping alive the tradition of serving the fraternity. There were many other key members enjoying the day with several past potentates in the room. Several divan members were also there supporting the club.

Illustrious Sir John Green, Jr. installed the new officers of Northeast Shrine. This is another tradition that we are keeping alive. A Sunday brunch for the installation of the new officers, directors, and trustees. Northeast Shrine is all about traditions. Kudos to Illustrious Sir Joel Brookstein who was the master of ceremonies for this traditional Northeast Shrine Sunday installation brunch. A wonderful meal and time were enjoyed by all that attended.

Quaker City-Montco Shrine Club

By: Mike Feldsher, HP&P & Hilary Kaufman, OG

Celebrating the Year of the Tiger

Every February the club holds a meeting at a Chinese Restaurant to celebrate the Chinese Lunar New Year. 2022 is the Chinese Year of the Tiger. On Saturday night, February the 5th, at 6:30 pm, the members of the club and the Divan gathered at the China Garden Inn in Willow Grove.

The food was very good, and everyone seemed to enjoy it and each other's company. We decided to forgo a fixed menu and instead offered separate checks to ensure that everyone got what they wanted to eat. Before the meal we all munched on the Chinese dry noodles dipped in apricot or hot sauce. The restaurant also offered tea to everyone in attendance. Illustrious Sir John Green said he really enjoyed the Lo Mein and had a really good time. At the end of the evening the consensus was that everyone had positive feelings about the meeting.

At the completion of the meal, it was time to move onto the white elephant gift exchange. It was led by Mike Feldsher who was assisted by his young daughter Victoria. Everyone picked a ticket and then picked out gifts. Everyone enjoyed this regifting white elephant exchange. In fact, Ill. Sir Douglas (Finky)

Fink said, "it's always fun to get rid of the presents you don't want and replace them with other gifts you don't want even more!"

In the spirit of the Chinese Year of the Tiger, Quaker City Montco Shrine Club is moving ahead with resilience and strength. Our goal is stimulating everyone's mind and palette. Some of our upcoming meetings will be at Sweet Lucy's Smoke House in Northeast Philly. We will have a program at LuLu, which will feature a Holocaust survivor. Our club's plan is to offer interesting dinner programs with a variety of different restaurant options – something for everyone.

The Plaque Program/ Paper Drive

By Paul J. Feigel, Sr., Assistant Rabban

Good Food and Fellowship

Shrine Clubs have had the purpose of bringing fellowship of LuLu to the members who live in each of the five counties of our Oasis. The Clubs are designed to be dinner clubs where our LuLu members and their ladies can enjoy camaraderie, good food and interesting programs.

Quaker City wants to maintain that approach, with a little twist. We will be focusing on good food and fellowship in a wide variety of restaurant genres. The restaurants will include Italian, Chinese, Mexican, Brazilian, and others, as we discover and schedule them. Most of the restaurants will be in the Bucks and Montgomery County area, with a few outside. For example, Harold's Delicatessen restaurant in Edison New Jersey, is most unusual and it will be on our calendar. Our effort is to make available to our members and their ladies a variety of ethnic restaurants with good food that will accommodate interesting and diverse programs. Programs we are aiming for are sports figures, food manufacturers, holistic and acupuncture medicine, and a variety of musical entertainment.

Our focus is the restaurants we will visit, and programs presented will be pleasantly different, entertaining, and positively memorable.

A sad note:

Gloria Rogers passed away on December 9, 2021. A memorial service is being planned for the spring. We will send out notification once it is scheduled.

2022 has arrived with all its promise of a new year about to unfold. The Plaque Program/Paper Drive continues to be a major part of LuLu Shriners support of the Shriners Children's medical system. Thank you to those who have supported the Plaque Program/Paper Drive in the past and to those who will start their journey this year.

The month of May will be the time for the clubs to hit their locations and hold a paper drive of their own. Getting out in the public helps to elevate the high opinion in which we are held.

Return all contributions made out to LuLu Shriners to the Recorder's office, 5140 Butler Pike, Plymouth Meeting PA 19462 and note Plaque Program/Paper Drive on the memo line.

Many have asked about participating through our Plaque Program. This is an annual donation that provides for a plaque and a yearly sticker. Plaques are available in \$50 or \$100 donation amounts. Please contact the office if you are interested.

I thank you in advance. Together we can have a most successful year for the children.

FEZtival of Trees

The FEZtival of Trees was an outstanding success for LuLu. Numerous members of the Legion helped out in various ways from food preparations and sales to facility setup. Next year promises to be even better.

Club and Unit Installation

Many members of the Legion attended the Installation of Unit and Club Officers at LuLu on Saturday 8 Jan 2022. The appetizers and the meals were fabulous. A number of officers were recognized and sworn in. A first class event.

Change of Command

Our Change of Command ceremony was held on Sunday, 9 January 2022 at 1400 hours in LuLu's Grand Ballroom. At least forty-four people attended as we passed command from the outgoing leadership to our incoming leaders. Commander Richard M. Rodgers was unable to attend due to COVID-19 quarantine.

Ill. Ed Blum PP received the Past Commanders eagles with Jacquie's assistance, while Greg Hass in the

commander's absence accepted command of the Legion and received the 1st Lt Commanders silver oak leaves, with Amy's help.

Arlington Cemetery Tomb Trip

Our trip to the Tomb of the Unknown Soldier at Arlington National Cemetery is scheduled Sunday November 6th, 2022, and has been approved by Arlington. The side trip has not been selected at this time, but we will dine at Montgomery-Cornerstone Lodge #195 in Rockville, MD. Dinner will be catered by Mission BBQ.

LuLu Shiners Club Hispano

By Ricardo Melendez, Vice-President, Club Hispano

A new club was born to unify our Shrine family!

Over the years, Lulu Shriners have characterized themselves as the fun part of freemasonry. The fraternal arms now extend to all the Spanish-speaking community. To aid Shriners Childrens network that we support, we will include activities and ways to interact adding a more significant portion of the brotherhood that can lend a hand to our future generations, especially those in greater need due to their accidental health conditions.

Only United by Solidarity will we be able to deliver a better opportunity for the families and children we care for, so they can keep enjoying the benefits Shriners offers.

Gracias! With your cooperation, we can radiate the word to Hispanic speaking “Amigos” of the order; Including those Bilingual brothers willing to practice their Spanish skills. Everybody is welcome to interact with us in our coming events and activities.

Lulu Shriners Club Hispano is creating a space where anyone can belong. We will keep you informed. Message or follow us on Facebook: **@clubhispanolulu** or scan the QR code to follow us.

Sightings from the Crow's Nest

By Ill. Sir Matt Hallowell, PP, Past Commodore, The Old Salt

Ahoy Mates and Welcome Aboard

Well, we are into a new year of riding the waves of the Yacht Club social events. We will never have a man overboard drill for the Club! So, if you would like to be a part of our crew watching the sun shining on the water during the day and the sun set into

the sea with the moon glowing on the water at night, please attend one of our rafting's over an informal dinner with our first mates (Ladies). The Covid-19 storm still has our mates on land port/dock lock but hopefully the storm will soon end. Our crews are continually socializing and meeting at Phil's Pier for our cockpit treats of cocktails and dinner on land in lieu of being port anchored and docked during the storm.

Our crew of 20 plus mates including our first mates (wives) enjoy Phil's Pier even though our crew must follow safe social spacing at Phil's Pier. We have a great time being together at sunset on the second Tuesday of the month at 6 PM.

At times a land dinner is held at a public restaurant when we want to be formal in lieu of our pier dock dinner. I am planning that we will

not have to wear foul weather gear during 2021 Sea Trip year.

Call our Rear Commodore, Harris Brody at 215-407-3195 if you plan to join us at Pier Phil's at any of our upcoming events. We are planning to dock in the future, Change Of Watch, etc. so review our NEWS letter/chart issue for current news.

Note to Mates: Our crews Bridge/Board meetings are held on the fourth Tuesday of the month at LuLus Club room #10 at 7pm. Check the Shrine calendar for all events.

If you are interested in becoming a crew member by boating, sailing, or social activities contact Ill. Sir Matt Hallowell, PP at 215-620-1741.
