Welcome Spring! Although this winter was not too bad, we are looking forward to some warm weather. Weather aside, we had an enjoyable evening at our St. Patrick's party. The food was delicious. Ham, corned beef and cabbage and Shepherd's pie were on the menu. I want to thank Jacquie Blum for her tasty soda bread. It went great with the Irish butter

she also provided. Mike Feldsher came dressed as a leprechaun complete with an orange beard. The Irish dancers showed up and they danced the Irish dance magnificently. One of the best parts of the evening was getting to see friends and catching up.

Breakfast with the Easter Bunny was a huge success. A fun time was had by all. Many thanks to Marge and Joel Brookstein and Grace and Hugh McGinniss for making this day special for so many children. Thank you also to the Stewards, Debbie Scheetz, and Kathy Feigel for preparing and serving the food.

Our Spring Fling was wonderful. A great time was had by all. Lady Jaime and I were happy to see so many of our friends and counterparts come out to enjoy a fun evening with us. We would like to thank Erv and Doris Kaucher and Doug and Kim Fink and the rest of the committee for all their help in making this event most memorable for us.

We have a few events coming up that I hope you will support. On May 13th we are hosting a Masonic Block Party. This event is reaching out to our fellow Masons to show them how much fun you can have as a Shriner. Please pass the word in your lodge so we can have a great showing.

Recorder's Recordings

By: Ill. Sir Gary Davis, P.P.

Spring has finally arrived, and winter's crust is being replaced with green. Having just returned from my very first Recorder's seminar in warm, sunny Tampa I am happy to report that we are in pretty good shape for the shape we're in. What do I mean by that? Well, there are other

Temples that are not doing so well. I heard a bunch of stories about how some were forced to sell their buildings, how some sales went bad, and how others were sorry they did. The overall fact that became apparent was that they did not run their facility as a business, nor did they consider it an asset. Seems like, for once, we at LuLu are ahead of that curve.

One common theme was that when we all had greater numbers, we all had more income in the form of dues revenue. The point was made that Shrine has now suffered 46 straight years of membership decline. Another point was made that "always doing what we always did has not worked out so well". It was interesting to hear an Imperial Officer state what we already knew, "there are two sides to a Shrine Center.

One is fraternal and the other is business".

How this all works is pretty invisible to the general membership, and not because anything is hidden. Just come out to a Finance Advisory Committee meeting and maybe a Divan meeting. There are those members that feel the Shrine should run more like a fraternity, but with the exception of dues, they are not paying any of the bills. A hot topic was paying rent for using the facility. Let me be clear that this was discussed at the Divan level and decided clearly and fairly.

To reiterate, units are assigned meeting rooms. Some are individual while others are shared. We are re-allocating some of the rooms to accommodate our more active units. Unlike Blue Lodges that meet either at One North Broad Street or any Hall Association building, all are provided free of charge. No rent or no charge for electricity. The only requirement is that they maintain their individual rooms by keeping them clean, organized, and free of accumulated trash.

Now some have a need to use Room 5 or our Merrymac Room for their meetings. Absolutely no problem providing that the rooms are available, the unit has submitted a Special Activity Form stating the when, what, and how, and it is approved. There is no charge providing the room is left as it was found. This means that they setup what they need to hold their meeting and afterward, break it down. They are also required to empty their trash. We went further to stipulate that we (LuLu) would be happy to setup, breakdown, deal with the trash, sweep and mop. Whatever they need, understanding there would be a charge if we use workers on the clock.

It was also discussed within the Divan to consider any unit or club wanting to use any part of the facility for a fundraiser. It seems fair that if the unit or club is charging admission that LuLu be entitled to cover its costs as well. Recently, this arrangement was made with the Motor Unit when they hosted a Super Bowl Party. They are planning on doing it again next

Treasurer's Corner

By Timothy "Boz" Bossert

Since this is my first Fez article since starting as Treasurer, I want to thank everyone for placing their trust in me for this position. As I write this we are through the first quarter of the year and I will be honest, there has been a learning curve. Now I know you may think, how hard is it to write a check, pay a bill, reconcile the checkbook...that is the easy stuff. The part that many may not even think of, except all those past Treasurers out there, is how everything that brings in money to LuLu has an impact on Shriners International and Shriners Children. It is important that we follow all rules and guidelines in order to carefully maintain our records, because to the public and I might say the IRS, we represent Shriners around the world, as well as, our number one Philanthropy, Shriners Children. If we misrepresent how we raise money for either LuLu or Shriners Children, it could have huge ramifications on the entire system.

As for LuLu's finances, we are in a stable spot right now. It is true that we are in one of the best financial positions that we have been in quite a while, but this doesn't mean we do not have to be good stewards of the funds and plan for our future. This month I would like to talk about the building. We have a fantastic facility and one that serves us well, though we continually need to maintain it and keep it the shining spot it is for all of our members. Over the past year or two, there have been a few major projects for the up keep of our building and there will be a few more over the next few years. I know the whole Divan is committed to making sure we have the funds to make sure the building is maintained. This is just one area of concern and I as I stated others will be addressed in future articles.

Finally, I want to ensure our membership that the number one goal is to remain transparent with our financials and have procedures in place to ensure no one officer has total control of the funds. If you have any questions or concerns about the finances, please feel free to contact me at Treasurer@lulushriners.org so we can discuss them further.

year, so it worked out for everyone. Going forward, hopefully, our Nobility will agree that this is fair policy.

You might be surprised to hear that Imperial really expected the dues income would cover most of the operating costs of the Temple so that with one or two major fundraisers everything works out. This might have been true back in the early 70's but not so much today. One would bet this is why many Temples have fallen into hard times. It was easy with lots of members! Back then dues were \$40 and with 8,000 members, income was \$320,000. Jump forward to today and the expected dues income from \$100/member works out to under \$90,000. Ask yourself what would be needed to make the 1970's \$320,000.00 value today? Clearly, we needed to explore other techniques to raise the funding required. Our Temple accomplished this by selling off a portion of its land, investing the principle, and using a portion of the income for operations. We have also enjoyed increased rentals using the building as an asset.

It's not easy by any means as our club is more than just a Tree House. At the end of the day, we can be grateful that we were able to keep and maintain our unique home and share it with our members. Again, there is a very thin line between the fraternal side and the business side. The real challenge is being fair to everyone whether they know it or not.

I look forward to seeing you at one of our events or stop by the office and say hello.

Hospital Rounds

By: Noble Thomas A Spoltore, Board of Governors, Treasurer

Spring has finally sprung, and we are looking forward to a beautiful summer filled with fun activities. Day trips, beach time, and maybe a long-awaited cruise in the Caribbean. However, for many of our patients, summertime means a hospital visit and surgery. Most patients who are scheduled for elective surgeries do so on their summer break from school. In some cases, patients even schedule their return to the hospital in coordination with other patients they have become friends with.

I chose to start this article with that little tid-bit of information to enlighten you to the fact that our medical, clinical and ancillary staff are a remarkable group of dedicated and motivated personnel who are committed to the hospital mission. We as Shiners need to keep our focus on our supportive hospital mission. Many members have inquired about the decreased number of hospitals in our system. The answer to that question has remained the same for many years now; the existence of our hospitals

depends on patient census. We need to maintain constant diligence in our role as ambassadors for the hospital to ensure our patient numbers remain high enough to justify our current hospital status.

Our hospital is striving to be a “Center of Excellence” and hub for the Northeast region. They are striving to do this by focusing on volumes, referrals and strategic partnerships such as the Doylestown hospital outreach clinic. Our physicians and medical staff have been successful in receiving several grants as well as producing numerous publications and poster presentations. Additionally, our Cleft Lip services will be functional in the near future.

Mark your calendar for the “*Walk for Love*” hospital fund raising event on **Saturday October 1st**. It would be wonderful if every club and unit participated with fundraising and attendance at the event. If you have any questions, please contact Joy Young via email: joyyoung@shrinenet.org or phone: 215-430-4206.

Mi Casa es Su Casa

By Noble Luis Oviedo, Membership Chairman

There's nothing that I enjoy more than hosting a good cookout, especially when the weather is nice and warm. The whole experience excites me; from planning the meals and drinks, the music, the seating, to the day in question. I wake up that day and I can't wait until I start the fire in my amazing (custom-made) brick grill and start to lay the meats and veggies on. Friends arrive, they grab a drink and smile once they smell the food they're about to taste and later we enjoy a delicious meal. But actually I don't cook to feed (only), I do it for the memories.

I love to entertain, I enjoy the company of my friends and their families.

Some of you have come to my house and might know what I'm talking about. I know what you like, and you know what you'll get and that makes me happy.

At LuLu I want you to feel the same. I want you to see this as your amazing backyard that has endless memories. Lulu is the place where you can bring your family to meet mine (and many others) and have a great time.

In order to make that happen we need You.

We want to give Lulu a new direction and make it the place that you want it to be. So how do we change that? - you might ask. Well, start by coming to one of our events organized by a group of people that has as

a sole purpose: to make Lulu your favorite backyard. Come and tell us what you like, tell us what changes you want to see. But come.

I guarantee that you'll have a great time so come, bring a friend, bring a brother. Come and see all the new Clubs and Units that have started since you last visited, you will also see all the new faces with new ideas that are cooking.

I hope to see you soon, follow us on Facebook for events information or email me at membership@lulushriners.org

2022 Parade Schedule

By Paul J. Feigel, Sr., A.R.

A big thank you to Ill. Sir William C. Adamson, Sr., P.P. for his many years of service as parade chairman and Colonel of the Units. He made the job look so easy that anybody could step right in and do it without thinking. I now know differently. Bill left a large pair of shoes to fill, and I pray that I am up to the task.

Marcus Hook Parade	May 28
Warminster Memorial Parade	May 30
Ocean City Parade	June 04
Rosemont Parade	July 04
Southampton 4th of July Parade	July 09
Virginia Beach MASA Parade	September 10
Haverford Day Parade	October 01
Mayfair Thanksgiving Parade	November 19
Bristol Borough Parade	November 26
Ambler Parade	December 03

Why do we march in parades? The Motor Unit has a motto, "We Ride So Others May Walk." As Shriners, we feel that it is an opportunity to promote the Shrine and/or Shriners Children's in the public eye. Besides, it is a heck of a lot of fun to be seen.

Bucks County Shrine Club has a float of Washington Crossing the Delaware and needs 10 warm bodies in costume to man it. Delaware County Shrine Club has a float that anyone wishing to join the parade can ride. The Hospital Van also pulls a float with space to ride. Northeast Shrine Club has their Hell's Bells that requires 4 warm bodies to man.

This year's Fallsington St. Patrick's Day Parade was cancelled due to bad weather. So much for the luck of the Irish! If it should rain on the 4th of July, we will participate in the Southampton Parade on July 9th.

Known conflicts at this time are the Haverford Day Parade and the Walk of Love, both on October 1, 2022, and Mayfair Thanksgiving Day Parade and the Festival of Trees on November 19, 2022.

Remember this... being in a parade may take a couple of hours out of your life, but for the people watching you, the impression will last a lifetime.

Freddie is Back at LuLu

By Timothy "Boz" Bossert

So, I guess some of the questions in all of your minds are...Who or What is a Freddie? Why Do I Care Freddie is at LuLu? What does Freddie have to do with the Klownz Unit? Well these are all great questions you have asked or that I have imagined you asking, so here it is. I am referring to the Mid Atlantic Shrine Clowns Association (MASCA) Traveling Trophy and named in honor of Red Skelton and after his famous happy hobo clown, Freddie the Freeloader. You see it is true the main purpose of the LuLu Klownz Unit is to entertain the children at Shriners Children; however, we do a few other things as Shrine Clowns, we entertain children of all ages at various Shrine events, assist the Chapter or sometimes other units who request our present at one of their events. We also participate in Shrine Clown Competitions!

Yes, you read it correctly, who would have thought that Clowns compete. You may wonder what is involved in a Clown Completion, well let me tell you. The first category is for makeup and over all appearance. Not to bore you, but there are five (5) different categories of makeup. The next category is Skits, which include individual all the way up to Five or more Clowns! The competition is ended with a balloon sculpting completion.

Your LuLu Klownz had seven (7) Klownz participate in the MASCA Clown-A-Rama, hosted by Irem Shriners in Wilkes Barre, Pennsylvania, over the weekend of March 25th. They included James "Hopper" Diem, Don "Stinky" Fink, Ill. Sir Doug "Finky" Fink, PP, Nick "Uncle Nick" Lutz, Harry "Chugg" Snyder, Thomas "Fuzzy" Yarnall, and myself. I am also proud to announce that the unit brough home 18 trophies and every single member of the participants received a trophy in one or more of the categories! I will list all winners at the end of this article, though not sure this article will fit into the Fez, so if you don't see the list you know why.

So back to the Freddie Award, which is presented to the MASCA Clown Unit who receives the most overall points in completion. I am happy to say, with all of these wins, LuLu Klownz was presented the Freddie Award and it is our honor to have it here at LuLu until the next Clown-A-Rama where we will have to defend out title.

Who knows, maybe one of you reading this article will decide you might want to make a person smile and join our Award-Winning Unit! We have members who are skilled at many things and always willing to help. The LuLu Klownz meet the Second Monday of the Month at LuLu in our Klownz Unit Room. We have a light dinner around 6:30ish and the meeting follows! Hope to see some new faces. If you want more information, please call me at (610) 637-5373!

Now as promised, here are the list of trophies won and by what LuLu Klown:

The LuLu Motor Unit Report

By: Carl Levin, Secretary

Our Superbowl Party that was a success and was covered in the last issue. The parade in Fallsington was cancelled due to severe weather. We celebrated our Ladies Appreciation Luncheon with some great food at the Joseph Ambler Inn and most of the guests were very pleased with the food and the company. Most of the Divan, our Potentate and First Lady, and the usual supporters attended and we are thankful for that. The Ladies were given nice gifts picked out by Lady Jeanette Ward and the everyone loved them.

Ill. Sir Joel, PP is coming along, and his health seems to be improving, but he still can't be left alone. Frank Flem had some major back surgery, and we wish him a full and speedy recovery.

Spring and summer are approaching and with a bit of luck we will have better attendance at Shrine events

and increase our membership numbers. The Motor Unit has picked up a few new members and hopefully they will stay active and attend events and parades along with some of our current members. You don't need to ride a Motorcycle to join the Motor Unit. Just having an interest in bikes or cars is sufficient. We try to keep our meeting and events interesting. Come out and check us out. We are a fun group, and the drinks are on us. We also have soda and bottled water for the teetotalers.

LuLu Shepherds Visit Lodge 9

By Ed Blum, PP, President, LuLu Shepherds

On Friday evening April 1, 2022, some of our Divan and Shepherds attended Masonic Lodge 9's stated meeting to present a plaque in a gesture of thanks for their generous donation of a brand-new hospital transportation van. Also present was Noble Leonard A. Juliani, Jr., D.D.G.M. of Masonic District D.

We were well received by the members of Lodge 9, had a wonderful meal, and shared terrific fellowship prior to the actual meeting. Before dinner everyone met in the parking lot to see the Van and for a photo op.

During the meeting, Noble Dan Scheetz, C.R., gave a brief presentation to the lodge members explaining what Shriners Children's is all about and what the Shepherds Unit does for the children and their families. Noble Greg Haas, our transportation coordinator gave a report to the lodge on the number of transports that we provided during 2021 and the first quarter of 2022 along with the number of manhours it has taken to provide those transports. The numbers are astounding, and it was evident that the members of

Lodge 9 were not only impressed but also surprised. Surprised by the number of hours spent and also by the amount of dedication on the part of our members.

Please remember, the Shepherds unit is not only a vital part of LuLu Shriners, but also a very vital part of the Philadelphia Shriners Children's System. If you would like to be a driver or ride along to assist our drivers please see me, Greg Haas or any member of the unit about how to become a member.

Quaker City-Montco Shrine Club

By: Barry Oppenheim

Welcoming Guest Speaker Randi Stoooper

On Thursday, March 31, 2022, Quaker City-Monto Shrine Club had the honor and pleasure of hosting our guest speaker Randi Stoooper and an audience of nearly 50 guests. Randi is a representative of the Raab/Goodwin Holocaust Center and the granddaughter of two concentration camp survivors. Her grandfather and best friend, Simon Birnbaum, was born in Czestochowa, Poland. This town in eastern Poland was very near the German border. It was around 1939 that the Nazi government of Germany invaded Poland and decided to imprison Jews, use them for free labor and ultimately eliminate them. Her powerful presentation included pictures of the town and the work/extermination camps her grandfather experienced.

He told her of the conditions he endured under Nazi rule. If your labor was of value to the camp there was a good chance you would survive, otherwise you would disappear. For some inmates there were extended periods of time where there was nothing to do but experience hunger, sit and wait. The conditions inmates had to endure were cruel; ten people to a bunk, no pillows or blankets and two meals a day to divide among your bunk mates. The meals consisted of soup in the morning and a loaf of bread in the afternoon.

After allied liberation, Simon and the few surviving members of his extended family lived in several countries striving to earn a living. Seeking a better life, he lived in Germany,

immigrated to Israel and ultimately to the United States. With most of his family gone Simon focused his life on his grandchild Randi and earning a living. Social life after liberation was generally confined to events with other camp survivors.

After answering audience questions about such topics as reparations to victims of the holocaust were answered, the guests retired to a sumptuous array of desserts and a selection of hot and cold drinks. There were of course many conversations about the presentation and personal family experiences. The Club is of course grateful to LuLu Shrine for the use of the Merrymac Room.

Women's History Celebration Luncheon

By Jaime Green

A luncheon was held at LuLu on March 20th celebrating Women's History Month. Our speaker was Suffia R. Jett, represented by our very own Lady Dimitra Seiler. Dimitra presented a very interesting slide show explaining the difficulties women endured in trying to have the vote for women passed.

The leaders of this campaign—women like Susan B. Anthony, Alice Paul, Elizabeth Cady Stanton, Lucy Stone and Ida B. Wells—did not always agree with one another, but each was committed to the voting rights of all American women.

Women gained the right to vote in 1920 with the passage of the 19th Amendment. On Election Day in 1920, millions of American women exercised this right for the first time. For almost 100 years, women (and men) had been fighting for women's suffrage: They had made speeches, signed petitions, marched in parades, and argued over and over again that women, like men, deserved all of the rights and responsibilities of citizenship.

A good time was had by all thanks to our committee Ladies: Dimitra, Barbara Quaste, Barbara Treffeisen, and Jacquie Blum.

Nobles and Legionnaires,

As for Legion bragging rights – we are so proud to have members from all branches of service among our membership corps – and “rank has no privileges” here – just good spirit, pride in our country, and a strong brotherhood.

The Tomb of the Unknown Soldier at Arlington National Cemetery is scheduled for Sunday, November 6, 2022. Even at this early date we already are committed for over 40% of our bus capacity. It is usually an early sellout, so please get your reservations in ASAP.

I remind all that our “doors” are always open to receive applications for new membership.

Ladies Night

It has been a while since the Legion had a Ladies Night. Covid-19 really put a damper on many activities. Our Ladies Night this year is scheduled for 23 May 2022 at 6:00 PM in the Merrymac Room. Be on the lookout for a flyer to make reservations. We will have a terrific meal and entertainment.

Flag Retirement Ceremony

The June meeting includes our annual Flag Retirement Ceremony. The meeting is held on Monday, 28 June 2022 at 6:30 PM, when with ceremony, we retire well-worn American Flags by burning, which is the traditional method. The regular meeting will begin at 7:00 PM.

Change of Command

At our February meeting Ill. Sir John Green took the opportunity to swear in all the elected LuLu Shiners Legion of Honor Officers. Several officers including the Commander were unable to attend The Club and Unit Installation on that Saturday night, this finalizes the swearing in process.

Arlington Cemetery Tomb Trip

Our trip to the Tomb of the Unknown Soldier at Arlington National Cemetery is scheduled Sunday November 6th, 2022, and has been approved by Arlington. The side trip has been selected at this time and it is: American Veterans Disabled for Life Memorial and the US Botanic Garden. We will once again dine at Montgomery-Cornerstone Lodge #195 in Rockville, MD. Dinner will be catered by Mission BBQ. David S. Rocchino Family Foundation Makes Large Donation to Shriners Children's Philadelphia

People often say it is not what you know, it is who you know.

The connections you make with others will lead you to paths you may not have taken. This is the tale of the two Davids.

Dave Caddick is a well-established businessman who is also a member of LuLu Shriners, a chapter of the Shriners International fraternity. David Rocchino is a well-established businessman right outside of Philadelphia in the suburbs. Dave and David have been in the same circles through their connection to Penn State Abington. They both sat on advisory boards and got to know one another, and even enjoyed supporting each other through various events. One of Dave's events was the LuLu Shriners Golf Tournament, which benefits the Philadelphia Shriners Hospital, and introduced David to the hospital.

In 2015 David and his wife, Elisa, established their family foundation. All three of their children sit on the advisory board, as well as three outside board members, including Elena Kriebel, the treasurer of the Foundation. Over the years, the foundation has supported the Penn State Schreyer Honors College, animal rights organizations and women's shelters. This year in 2022, they decided to donate to Shriners Children's because of Dave Caddick and David's relationship.

David and Elisa Rocchino, Elena Kriebel and Dave Caddick presented the donation to Shriners Children's staff members and met Belinda. Belinda is a 15-year-old Patient Ambassador of the hospital. Since she was 8, Belinda has been coming to the hospital for arthrogryposis care. Arthrogryposis is contractures of the joints, including hands, arms and legs. Arthrogryposis is not curable, but it is very treatable! Usually, the goal of treatment is to make a person as independent as possible in activities of daily living. Belinda is an active teen who is into the arts. She has a beautiful singing voice, is part of the school choir, paints by mouth and enjoys sharing her story as a Patient Ambassador. Belinda was recently featured in a Shriners Children's commercial.

Belinda and all of the patients at the hospital are thankful for the support that the David S. Rocchino Family Foundation has given. Their donation of \$25,000 enabled them the opportunity to represent something special at the hospital and name the pre-op bay in the pre-anesthesia care unit after their foundation.

If you would like to find out how you or your organization can align with the interests of different naming opportunities, please contact Ms. Terry Diamond, director of development, at 215-430-4055.
