# From the Potentate

**Illustrious Sir  
John H. Green, Jr.  
Potentate 2022**

Well, here I am at the halfway point of the year. We have enjoyed several events so far and we plan on a few more before the year is out. We have made some repairs around the building that have been needed for more than a few years. We will continue to improve the building as we are financially able to do so.

We have probably returned from Imperial Sessions by the time you read this article. I will elaborate on our trip in the next issue.

The Centurions Christmas in July is scheduled for July 31st. This is an exciting event with over 500 motorcycles making their way to Shriners Children’s Philadelphia with toys for our kids. It is an experience to see.

August brings our Family Picnic on the 7th and Heritage Night on the 20th. The Family Picnic promises to be a fun time with games for the kids and good food for all. Make sure you mark your calendar!

Heritage Night is a celebration of your ethnicity. Bring an ethnic food to share with everyone. Or just come to enjoy all the different foods that will be available for you to taste.

Don’t forget to get your reservations in for Virginia Beach. It is always a fun time, and we would love to have you join us. MASA has put together a nice program including the parade followed by a Beach Bash.

In closing, I hope everyone enjoys a safe and fun-filled summer!

Having attended my first Daughters of the Nile Supreme convention it became clear what topic I would write about for this issue of the Fez.

Being involved in both Freemasonry and Shrinedom for many years, I had thought that there was little, if anything, that could surprise me. I could not have been more wrong as this convention was both a pleasure and an unexpected eye-opener.

First, a little background. My lady Cheryl has supported me in my journey through the Masonic fraternity for all of our marriage. Except for my first Shrine convention, she has joined me as we traveled together throughout the country to participate in all manner of Masonic/Shrine gatherings. While she has been a member of our Temple's ladies' chapter of Daughters of the Nile, namely Allah Temple No. 28, this year she decided to run for their line and was elected to the office of Princess Badoura. The office equates to third vice president.

I attended their installation of officers at LuLu, where

I sat proudly watching my lady get installed. I felt, it was the start of a new and positive chapter for us both. We decided to attend the "D.O.N." convention in Dallas, Texas to learn a little more about the organization since her commitment is for a five-year line and also to have a mini vacation.

So, off to Texas we went, joined by Ill. Sir John and Lady Jaime. We figured the guys would hang out while the girls attended sessions. We planned several tours including the JFK Historical Tour. The guys looked forward to some relaxing and maybe some shopping. I had to visit Tecovas western boots in person.

The first eye opener occurred when the alarm went off and Cheryl got ready to attend some meeting while I stayed in bed. I have to say this was a huge role reversal. For so many years I would be the one getting up to attend something while she stayed in bed. Now, she was off to some meeting, and I am left to fend for myself. Don't get me wrong, I am not complaining, just found it funny.

Saturday night we attended what was titled "Waltz Across Texas", a western style get together. Sunday night was the Opening of the Supreme Temple and introduction of "D.O.N." Supreme officers. It included the reigning Supreme Queen and her line, a host of Past Supreme Queens, guests who included our Imperial Potentate, Bill Bailey and his Lady Debbie. Cheryl carried the banner for our Allah Temple and was followed by the officers, Queen Gale Leigeber, Junior Past Queen Dimitra Seiler Kohler, and Princess Royal Jacque Blum. Also in attendance were Past Queen Peggy Reiter and Past Queen and Princess Recorder Sally Baird.

Finally, Thursday night brought the installation of the new Supreme Queen and her officers with all the pageantry you might expect.

I have to say there is a good reason that this convention is officially called "Daughters of the Nile – 106th Annual Supreme Session". This was one of the most remarkable events I can ever remember attending!

## What to Do at LuLu

*By Noble Hilary A. Kaufman, Oriental Guide*

Unfortunately, I have heard from time to time, a few of our nobles say: “There is nothing for me at LuLu!” I say Unfortunately, because the nobles who say this, have not bothered to see what is happening and what activities they can be part of and enjoy at LuLu.

Our members and their families have many activities available to participate in. The important word is PARTICIPATE! When a member does not want to come and participate in activities and events at LuLu, he may think there is nothing happening at LuLu.

Most of us have computers and smart phones. Just go to: [www.lulushriners.org](http://www.lulushriners.org) and you will find a wealth of information that will direct you to many activities and events available for you and your family.

At that site, go to Units and Clubs. You will find all our Clubs and Units. The name of the Club and Unit, the Head/Contact Person, and the Meeting Day. Your LuLu Shriners has over 20 Clubs and Units available for your participation. You can participate in any, a few, or many of them. You are always WELCOMED. Don't be shy. As Masons and Shriners, we have no reason to be shy. We are all brothers.

At LuLu's website, you will find Upcoming Events. Go to Our Calendar and you will see that you can be busy every day, attending and participating in an activity of a Club or Unit. Most of the activities identified on Our Calendar are open to all nobles of LuLu.

So, please do not say: “There is nothing for me at LuLu.”

You can always contact me or any of the other Divan members or our Recorder's Office to help you find a Club or Unit for you. The Record's office is (610) 828-9050 (Tuesday, Wednesday, Thursday). I can always be reached at [hilarykaufman@msn.com](mailto:hilarykaufman@msn.com) or (917) 742-6620.

Don't be shy! Get up and go to LuLu!

# LuLu Model Train Club – High Railers

Well, the stoker has the fire going, and the coal car is loaded. The engineer has been given the okay to get this train rolling. It took some tweaking and cajoling, but all systems are “go.” If you haven’t heard, the Arab Patrol has voted to allow our Railroad Club to share a platform layout and their meeting room for our meetings. Our members are anxious to put their expertise, insight, and ingenuity into action. They will be creating two train layouts, one for our meeting room and one for a display at our annual Christmas event “The Festival of Trees.” I’m sure these platforms will put smiles on children’s faces and evoke some pleasant memories of Christmases past for many adults.

Past Potentate, Bill Adamson, had made his intentions known about joining our club and was looking forward to participating. However, as you know the chief engineer from above has called Bill for duty. His beautiful wife, Kate, has donated his train set to our club. We will honor his memory when displaying them. Thanks, Kate.

If you are interested in joining our club and would like to be kept in the loop with information related to our meetings and activities, just send me a text, email or call and we will make it happen. Our dues are only \$10.00 a year along with a one-time initiation fee of \$10.00.

# We Are All Volunteers

By Noble Hilary A. Kaufman, *Oriental Guide*

Shriners International is the governing body of LuLu, more than two hundred Shrine centers around the world, all our Shriners hospitals and other medical facilities. Shriners International conducted a large-scale survey of current Shriners, new members, and vintage members. A major finding of the survey was that a large portion of Shriners are Shriners because we want to volunteer. The survey identified that fun activities were important, but not the highest on the list.

Being a volunteer was the answer. There are many ways we Shriners are volunteers.

I am a Shepherds. My wife and I have driven parents and patients to and from our Shriners Hospital in Philadelphia. It warms our hearts to see the real miracles as the result of world class medical treatment provided by our Shriners Hospital.

LuLu's award winning Klownz bring much joy to the children at Shriners Hospital. Just one more of numerous examples of Shriners volunteering to help others. We cannot forget the joy kids have at our parades when our Klownz prance around in their silly colorful costumes and hand out fun balloons.

You may not see it, but Wednesdays and other days, The Fixers at LuLu help us all by fixing everything they can, inside and outside our large facility. There is always a lot to fix and they all volunteer to do it. They are always looking for craftsmen and helpers. Call the Recorder's Office at (610) 828-9050 to lend a hand.

I cannot leave out our Stewards. You will see them serving food at events with smiles on their faces. What you do not see are the many, many hours they put in behind the scenes, buying the food and preparing it in our fully equipped large kitchen. They spend many hours over hot stoves and ovens to make what we enjoy. Please give them a warm Thanks! when they serve you. They deserve it.

The Shepherds, Klownz, The Fixers and Stewards are just a few of our Shriner Volunteers. What does being a volunteer really mean? Helping others, with no reward or compensation other than the joy and pleasure we feel helping others.

As your Oriental Guide this year, I have had the opportunity to visit many of our Clubs and Units. All function because we volunteer. The officers and members of our Clubs and Units put in literally hundreds or thousands of hours, over time, to insure fun activities happen.

Just one example: When I visited the Rod & Gun Club, I could literally feel the joy in the members each telling of the fishing adventures they were planning for the other members as well as arranging hunting and shooting activities. All were involved. Not just the officers. Rod & Gun is a great example of what should be happening in all our Clubs and Units. Members should participate and enjoy the activities planned and provided by its officers. All should volunteer to get involved. That is how YOU can feel the joy of being involved in the activities of YOUR Club and/or Unit.

## Hospital Rounds

*By: Noble Thomas A Spoltore,  
Board of Governors, Secretary*

Spring At our Board of Governors meeting in May, we were presented with updated information related to the Shriners Children's Philadelphia 2022 Community Health Needs Assessment. I found it very enlightening in many ways and thought I would give you a brief synopsis of its contents.

Shriners Children's Philadelphia is a 49-bed pediatric orthopedic hospital. Additionally, it is also a teaching hospital and supports the educational needs of medical, nursing, physical, occupational, and speech therapy students as well as radiology resident/students.

There are approximately 70 conditions treated in our hospital ranging from acute fractures to vertical talus. If you know of a child who may need our services and have a question related to any orthopedic condition, spinal cord injury or cleft lip and palate, do not hesitate in reaching out to the hospital to inquire about the child's condition.

Children are not just small adults; their bones heal faster than that of an adult. This means a child with an injury should see an experienced pediatric orthopedic specialist as quickly as possible. Children will receive fracture care, which may include reduction, surgery, casting, post fracture follow-up and physical or occupational therapy. It's important to note that our hospital clinic is also supported by an additional clinic located at Doylestown Hospital. The Doylestown location is now a full-service site for evaluations and follow-up care for all conditions treated at our main location in Philadelphia.

Research is one of the cornerstones of Shriners Children's Philadelphia. Our in-house research teams include internationally renowned experts whose discoveries have changed treatment methodologies and improved the lives of countless children affected by debilitating conditions.

During 2021, patients utilizing Shriners Children's

Parades, parades, parades. Three parades in eight days with more on the horizon. Marcus Hook on May 28th and Warminster on May 30th are in the books. Both were held in bright, sunny and steamy days. Each parade boasted seven divisions, Mounted Guard, Motor Unit, Northeast Shrine Club, Klowns, Shepherd Unit, Delaware Valley Shrine Club, and Quaker City / Montgomery County Shrine Club. **THANK YOU** for your participation.

We also had three new young Shriners joining the ranks of those who represent LuLu Shrine in the public eye. If we can continue with one or two new young Shriners joining us with each parade, soon we will be back to the numbers of parades of yore.

The ladies have it down and do it right. We (the guys) can't hold a candle to what they put on. Did I mention, it was amazing? It reminded me of the Emerald City segment in the Wizard of Oz. Pomp and ceremony is alive in Supreme D.O.N. and Shriners could learn a lesson from them. The evening finished when D.O.N. presented two checks for our hospital system totaling \$2,275,000.00 to our Imperial Sir.

And finally, I learned of a men's group called "Gentlemen of the Creek" whose purpose is to support our "Ladies of the Household" (referring to members of D.O.N.). Ill. Sir John and I joined the national group, and we hope to bring it, on a local level, to LuLu.

You know, protocol is not the only thing lost or ignored. Back in the day we used to hold events with lots of pomp, ceremony and fun. Maybe not with the same vigor, but we did. Perhaps we could strive to try and bring some of that energy and excitement back to Shrinedom in general and LuLu in particular. That would be a positive step forward for us all.

Now, everyone has probably heard about the airline delays. We experienced it first hand and were stranded

in Dallas as our flight back to Philadelphia was cancelled or delayed several times. We had planned to return on Friday afternoon but with delays we could not get a flight back until Sunday. Staying positive and trying to make the best of the delay, we decided to take a ride over to the Dallas School Book Depository on Saturday afternoon to tour the museum. To our surprise, we ran into Marshal Evans, the author of many books on the JFK Assassination. We had a great conversation with him and ended up purchasing an autographed copy of his book "JFK, the Reckoning".

On a different note, while we were away, life went on at LuLu. Rental events were setup, watched and cleared. I want to thank our team of faithful workers for without their efforts, we would not be able to hold the events that we do. Our team of event staff workers includes, but is not limited to, the following Nobles... Bill Staneruck, Paul Feigel, Boz, Paul (Big Bear) Swanger, Ill. Sir Ed Blum, Greg Haas, Jack Barish, and Ricardo Melendez. If you would like to become a member of our event staff, give me a call.

Stop in and see us in the office. The door is always open.

## Ahoy Mates, Haul in Your Anchor

Well, we are sailing open waters for the summer as we are allowed to sail and socialize once again.

Our crew is docking and rafting for our informal dinner with our First

Mates (our ladies) watching the sun shining on the water during the day, at sunset into the sea, and the moon glowing on the water at night. We meet in the cockpit on the second Tuesday of the month at "Pier" Phil's Tavern for our Dutch Treat cocktails and dinners. Please join us with your first mate. Call our Rear Commodore Harris Brody (215- 675-1184) if you plan to anchor or/raft with us at Pier Phil's and socialize.

Our Memorial Day Services with Nur Yacht Club in Elkton Md. with a picnic was a great time.

From time to time our land dinner will be held at another restaurant in lieu of our pier dock dinner.

We are planning to dock throughout the summer in June, July and August at major ports, so review our NEWSLETTER/chart issued by our navigator (Secretary mate Ed) to our crews for logging their charts regarding upcoming months.

Looking forward to seeing you on the helm in open waters this summer season.

Note Mates, our bridge and crew meetings are held on the fourth Tuesday of each month at LuLu Club room #10 at 7pm. If you are interested in being a crew member by boating, sailing, or social activities please contact Mate III Sir, Matt Hallowell PP, PC.

# Quaker City-Montco Shrine Club

By: Michael Feldsher, HP&P

## Spirits Tasting Event

“It went down warm and was an absolute pleasure to taste!” This is the best way to express how wonderful the joint Quaker City/Activities Club Spirits Tasting Event was experienced. On Sunday afternoon, May 29th, at Mermaid Spirits in Huntingdon Valley, PA, the two groups gathered to not only enjoy each other’s company, but to experience the tasting of Rum, Cinnamon Whisky, Limoncello, Honey Whiskey, Wine, Port Whisky and so many other wonderful flavors. Not only did the Nobles and Ladies get to try a nice size sampling of each flavor, but the establishment provided some snacks for the attendees. There were brick oven fire roasted tomato pies and soft pretzel bites for everyone to enjoy.

The afternoon started with our group divided into two. One group went to see how the distillation process takes place in the back. The owner of Mermaid Spirits, David Johnston, Ph.D. and Master Distiller, who is also a chemist, explained how various rums and whiskies are created. David explained how the different alcohols are stored in different types of barrels — some charred oak, some aged and some fresh barrels. David also explained how bourbons are exclusively made in the USA and typically made only in Tennessee. He also explained about his business and how he started the Mermaid Spirits about five years ago.

While the first group was getting an education of the distillation process in the back of the store, the other

group were in the front tasting the various spirits. Noble Steve Morrison really enjoyed the Honey Flavored Whisky. Noble Donald “Stinky” Fink and his Lady Nancy said they loved the Cinnamon Flavored Whisky and purchased a bottle. I personally enjoyed the Orange cello and Limoncello so much that I purchased one of each. I figured it will go great while sitting outside on the back porch watching the lightning bugs sprinkle the summer night’s sky.

The spirit tasting lasted about an hour and a half followed by everyone headed over to Bertucci’s to enjoy some food and more conversation. All in all, the afternoon was lovely and enjoyed by everyone that participated. It’s events like these that bring a fresh new outlook on our wonderful fraternity. Several Masonic brothers in attendance asked for petitions to join the Shrine.

I know more events like this are on the horizon for our members to enjoy at LuLu. Hope to see all of you there!

## Hospital Rounds

*(continued from page 10)*

Philadelphia not only came from 40 zip codes surrounding the hospital area but also came from all 50 states, and 42 different countries.

The information gleaned from the complete Community Health Needs Assessment was taken from the first several pages of a 60-page document. It should make you proud of the good that our Shrine fraternity and ladies of the Shrine have accomplished. Our job isn’t done; we still have plenty of work to do. If you see a child who may need care, do not hesitate in referring them to our fine hospital.

## Ladies Night

The Legion of Honor had a wonderful Ladies Night in May. The catering was provided by Lindinger's Catering of North Wales. Entertainment was provided by Vincent James. The Commander provided gifts to all the ladies and an interesting book on the development of the US Flag was presented to all men present.

## Flag Retirement Ceremony

The June meeting includes our annual Flag Retirement Ceremony. The meeting was held on Monday, 28 June 2022 at 6:30 PM, when with ceremony, we retire well-worn American Flags by burning, which is the traditional method. The regular meeting began at 7:00 PM. The next FEZ will include photographs.

## Arlington Cemetery Tomb Trip

Our trip to the Tomb of the Unknown Soldier at Arlington National Cemetery is scheduled Sunday November 6th, 2022, and has been approved by Arlington. The side trip has been selected at this time and it is: American Veterans Disabled for Life Memorial and the US Botanic Garden. We will once again dine at Montgomery-Cornerstone Lodge #195 in Rockville, MD. Dinner will be catered by Mission BBQ. We still have seats available, and the trip is open to all. No need to be a Shriner or Mason.
