# From the Potentate

**Illustrious Sir  
Daniel R. Scheetz  
Potentate 2023**

Wow, Hello to all LuLu Shriners and family. I am so excited with your continued support of our events. We continue to receive wonderful reports of how much everyone is enjoying the happenings at LuLu.

We continue to see an incredible increase in attendance at our Unit meetings as they offer new and different activities for their members. Our Clubs are always a nice social night

out and are a great way to interact with your Divan.

We continue to make great strides at reconditioning our 50 year old clubhouse. Please come out and enjoy the many improvements we continue to make in the quality of our events and our LuLu home.

Hopefully we will see you and your family at our upcoming events. Our Potentate Ball promises to be an awesome night of fun, history, dancing to a ten piece band, open bar and sit down dinner. In June we have our Hawaiian LuLu Luau with buffet dinner and professional Luau dancers, drummers and fire twirling. On May 13th the Stewards are having their first annual Flea Market at LuLu. On June 22, Bucks County Ladies are having a night at The Village Players of Hatboro.

We are continuing to do local parades to keep our name out in the public. We are always in need of member participation for our floats and Units.

Bingo is back at LuLu with Cash Prizes. This has been a fun time for all that come out and is open to the public, so invite your friends and family. Our trip to Ocean City is back on and will be an awesome time of family fellowship.

MASA in Virginia Beach is at a new location at a much lower price and is affordable for the entire family. We will be joining two other Shrines for a guaranteed great time of hospitality, entertainment and fun.

We continue to work hard to communicate with our membership and families at many different levels including Call and Text All, Flyers delivered at Club Meetings, FB page at LuLu Nobles, Email and our Fez Magazine. If you're not receiving constant updates on what's happening at LuLu, please contact the office to update your information.

We are always looking for members for our paid positions at LuLu to help with security and setup for our rentals. If you would like to help or make some extra money, please contact the office for more information.

You are the reason we work so hard to bring you so much fun and fellowship. We hope you will continue to support our children and our fraternity. Please let me know if I can do anything to serve your needs at LuLu better.

# Recorder's Ramblings

By: Ill. Sir Gary Davis, P.P.

They say that "April showers bring May flowers" but as this past winter was on the mild side, everything was in bloom when we went into April. Our Shrine could be compared to the weather in several ways. First, as we went into April many of our projects were underway or recently completed. Secondly, our member events were just past or in the planning stage while rentals were coming in to fill our open weekends. Now, as we move into May and June, the fruits of our labors are taking bloom.

The ballroom restrooms renovation is complete along with the audio/visual upgrades to the stage and room five. Our Merrymac room floor has been replaced and the audio/visual upgrade to that room is underway. We have held very well attended events including our St. Patty's party, Easter Bunny breakfast, and Bingo. Not forgetting a record-breaking Blood Drive which is now splitting proceeds between our hospital and our transportation fund. By the time you are reading this, we should have hosted a new Freemason Spaghetti

Dinner and initiated at least fifteen new Nobles at our April 26th Ceremonial. By all accounts, these were all successful in that they accomplished their purpose of giving back to our members and showing there is value in being a LuLu Noble.

As we move into May and June we continue the tradition of Fun, Family, and Fellowship by hosting more events for our Nobility. "May the fourth be with you" showing of Star Wars open to our LuLu family followed by a Lodge Under the Stars meeting open to all Freemasons, followed by our Potentate's Ball.

June starts off with the famous Ocean City Weekend, and authentic Hawaiian Night Luau and Sunday afternoon Bingo. What a way to go into the summer. You must agree that there are fun things to do at LuLu. You can find the flyers for these events elsewhere in this publication or in the weekly Constant Contact emails we send out. If you are not getting the emails, please contact my office to be put on the list.

By the way, another improvement to our facility which should be underway, if not completed, is to condition the unit room hallway. The eight units are being replaced with high efficiency units that heat and cool so it will be much more comfortable to access your unit rooms. If your unit uses one of these rooms, please make it presentable to new members. I will close by saying your Divan deserves a lot of credit in working to make LuLu proud again. If you are in the neighborhood, stop in and say hi.

# A LuLu Brother

*By: Noble Hilary A. Kaufman, High Priest, and Prophet and Membership Chairman*

I am literally joyful when we have a Ceremonial, and a new Shriner joins our great fraternity.

I am very saddened when in a year or two that same Shriner decides Shrindom is not for him, and he leaves LuLu. There are many reasons for this sad occurrence, family, financial, and health problems and I hate to say this, possibly us at LuLu.

Not more than half of our members belong to a LuLu club or unit. This means these members have not found happy and fulfilling places for themselves in our many clubs and units. Every person is truly responsible for themselves, but when it comes to being a member of LuLu, we also have some responsibility. We may not have shown our friendship and camaraderie to the member so that he is comfortable with being with us. We certainly have clubs and units and many other interesting events and activities. These are all aimed at providing fun, fellowship, and in some cases service to others.

When I hear a member say, "there is nothing for me at LuLu", for me it means we did not show him the light. The light of fun, fellowship, and service are all readily available. I know this is a two-way street, but we must go more than halfway down that road to help a member see the light of what is available at LuLu.

In March, the RW Grand Master of Pennsylvania allowed there to be a One Day Class to improve Masonic membership. The Grand Master is allowing the appended Masonic bodies to ask these new

Masons to make themselves available for our membership. This means, hopefully, LuLu may have an influx of new Shriners. This would be great, but we must do our part. Not just recruit new Shriners, but make sure they find the Fun, Fellowship, and Service to Others that they are looking for.

Ill Sir Dan Scheetz is responding to this good fortune of having a One Day Class and the willingness of our Grand Master to allow us to communicate with these new Masons. It is our responsibility to not only recruit but most importantly to make sure our new Shriners are happy to be LuLu Shriners. Ill Sir Dan asks that we form a Mentoring Team to help our new Shriners see the light of all that available in our events, activities, clubs, and units. I am naming our mentors, LuLu Brothers.

Ill Sir Dan asks you to be a LuLu Brother. You would be contributing in real significant terms to the survival and growth of your LuLu Shriners.

LuLu Brothers will be asked to stay connected with our new LuLu Shriners. We will ask the LuLu Brother to introduce the new member, and possibly his family, to the many events and activities available at LuLu. It would be best if the LuLu Brother can join the new member at many of these events and activities.

We will aim to introduce the LuLu Brother to a new member who lives in the same locality, is in the same age range, has a similar family composition (e.g., married, kids, etc.), possibly similar occupation, etc. We want the LuLu Brother and the new Shriner to be comfortable with each other. Prior to the LuLu Ceremonial, when the Candidate becomes a Shriner, you will be introduced to all the Candidates and see who is comfortable with whom.

Please respond to your Potentate's request to join in being a LuLu Brother. Please call or email me as soon as possible with your willingness to help your LuLu. I can be reached at (917) 742-6620 or [hilarykaufman@msn.com](mailto:hilarykaufman@msn.com).

Thanks to our 3rd VP George Jewsevky for being our chairmen and to our members Bill Klosz, Ron Meredith, Rich Pruitt and Ben Baird PP who would have come out to ride Hells Bells but sorry to say the parade was cancelled because of bad weather. For most of us, coffee is an essential part of our day. There is a reason why over 600 million cups of coffee are consumed by Americans each day. Even though we all enjoy coffee, the brewing process is something that most of us are not familiar with. On Sunday morning March 5th Quaker City – Montco Shrine Club and the LuLu Activities Unit were treated to the full coffee roasting and making experience. The presentation was held at the Old Village Roastery at Peddlers Village. Over 30 Shriners and their ladies attended the event and only positive things were said by the attendees.

One of the first things that one notices when entering the Roastery was the amazing aroma of the coffee beans being roasted. Nancy Fink said, “The smell was simply intoxicating”. Most of the attendees purchased bags of coffee to enjoy at home. LuLu Oriental Guide Noble Joel Wolford said, “I loved seeing the coffee craft brewing and learned how the different types of coffee are made and their origins”. He also said, “I never knew that there are oils in the Coffee beans and how they affect the roasting process.” Barbara Wolford

said “Loved the samples and it is a beautiful place.

After the wonderful coffee experience, we drove a mile down the road to the Tavern at New Hope Winery, located at 6123 Lower York Road, New Hope 18938. We all enjoyed the great-tasting wine and food. Past President Fred Ruderick said, “I thoroughly enjoyed the potato soup, and I had a Turkey sandwich”. Also, several members in attendance enjoyed the sampling of wine. Hilary Kaufman Past President and High Priest and Prophet shared a wonderful cheese plate with his lady Andrea and bought a bottle of white wine.

The event was so well received that we are looking to hold another meeting at the Tavern at New Hope Winery, possibly in the fall.

## **Make a Child Smile...**

***By: Timothy “Boz” Bossert***

One of the main reasons, if not the only one, our Masonic Brethren join the Shriners is because of Shriners Children’s (formerly Shriners Hospital)! It is a great feeling to belong to an organization that supports the medical treatment to children and on top of that do to COVID we have had very little interaction with the children at Shriners Children in Philadelphia. The Klownz were able to bring some smiles on the patient’s faces at last year’s Christmas in July Motorcycle Run! The good news is there are signs that the Klownz may be able to

get back into Shriner’s Children in the near future.

That being said, what a great time to join the LuLu Shriners Klownz! If you are the type of Noble who likes to make people SMILE...especially a CHILD, then do we have a deal for you! The Klownz are all about having fun and making people smile. We do this in a few different ways and really the simplest skill we can teach you is to give a smile and place a sticker on a child. This in itself is usually enough to

# Hospital Rounds

*By: Thomas A. Spoltore, Board of Governors Secretary*

In past issues of Hospital rounds I've stated that our Philadelphia Hospital for Children is considered one of the leading hospitals in the Shrine System. Megan Hauser our Human Resources Director and Krista Miller our Director of Patient Care Services have been elevated to the Northeast Market positions. I am also pleased to update you on our new Hospital Administrator Greg Passante who is also the Northeast Market Administrator.

## **Megan Hauser**

### ***Northeast Market Human Resources Director***

Megan Hauser has been selected for the Northeast Market Human Resources Director position supporting Boston, Springfield, Erie and Philadelphia. Megan has been serving as the Human Resources Director in Philadelphia and has been with Shriners Hospitals for Children for 21 years. Megan holds a labor studies degree from St. Joseph's University. Megan has already begun to transition within the market on key Human Resources projects and strategies and will be reaching out to key leaders. She will be visiting each location to learn of site specific operational and strategic focus areas she can support. She will work collaboratively to establish the HR team within the market and further define who will provide support for each facility and in what role.

## **Krista Miller**

### ***Northeast Market DPCS/Nurse Executive***

Krista Miller, MSN, RN, CRRN, has accepted the position of Northeast market Director of Patient Care Services/Nurse Executive. Krista is based in our Philadelphia hospital and will support our Philadelphia, Erie, New England and Boston locations, effective April 16. Krista, who has been with Shriners Children's since 2006, has a strong record of leadership. She recently wrapped up three years as interim administrator of the Philadelphia hospital, a role she held in addition to her post as DPCS/NE. Other leadership roles she has held in Philadelphia include

inpatient services director and inpatient surgical and rehab/critical care nurse manager. Krista earned her associate's degree and RN in 1999 and obtained her BSN in 2011 from South University Online. In 2018, she earned her master of science in nursing executive leadership from Chamberlain University. Krista brings remarkable talent and leadership and has shown dedication throughout her career here at Shriners Children's. We're very glad to have Krista bringing her ideas and experience to our Northeast market patient care services team.

## **Greg Passanante**

### ***Northeast Market Administrator***

Greg Passanante, MBA, BS, BSN, RN, CNOR, has been named administrator for our Philadelphia hospital and our Northeast market. His start date was Monday, March 6. In this role, Greg will both lead our Philadelphia location and collaborate with the Northeast Boards of Governors as we pursue our goal of working more closely together as a healthcare system. Greg will focus initially on Philadelphia and assume market duties later in the year. Greg's experience in a variety of settings and projects and his deep knowledge of healthcare in the Northeast position him perfectly to lead both the Northeast Market and our Philadelphia hospital. What impressed us in his interview was his communication style and passion for our mission. He comes to us from Wills Eye Hospital in Philadelphia, where he served as chief nursing officer. His previous experience includes stints at Christiana Hospital in Newark, Delaware, as director, clinical operations, perioperative services, and Penn Presbyterian Medical Center, in Philadelphia, as director, medical/surgical nursing. Greg also spent nearly seven years serving in various roles at the Hospital of the University of Pennsylvania, in Philadelphia. Greg earned his bachelor's degree in management from Rutgers University, his MBA from St. Joseph's University, and his BSN from Drexel University. He is currently working on his doctorate in nursing practice at Rutgers and expects to graduate in June.

## Make a Child Smile... *(continued from page 15)*

get a child to SMILE and you may even get a HUG... it's that simple.

Now you may be thinking, I can do that, but I have seen the Klownz do so much more and the answer is absolutely, all I said is this I the simplest skill. We have a few items in our Arsenal of Fun. The unit will hold a class on how to apply makeup and develop a character and even help you with a Klown Name! Then there are balloons. Most people are amazed when you twist a balloon into a dog, cat, giraffe, elephant, you name it and the funny thing is, that

is also a fairly simple skill and all the animals I just named, are basically the same twists. Then there is Magic, who doesn't love magic. There are many, many, many, easy magic tricks that are so simple, but very impressive when performed. The best is we have members who can teach all of these things to new members. We could talk about more, but I lets not over0 the Klownz Room at LuLu Shriners. I can be reached at (610) 637-5373 or via my email at TimothyBossert@gmail.com. Please feel free to contact me if you would like to join us or just chat to see if you may be a fit for the unit!
