FUN, FAMILY & FELLOWSHIP

From the Potentate

**Illustrious Sir
Paul J. Feigel, Sr.
Potentate 2024**

Greetings and salutations Ill. Sirs, Nobles, ladies, continuing our 140th year, dedicated to team LuLu, where helping kids, having fun, that's what we do. So far so good.

The Pote's Hoe Down has come and gone. A very special thank you to our chair couple Lady Kim and Ill. Sir Doug Finky Fink and "the Jens", Lady Jen and Noble Tim Boz Bossert, Lady Jen and

Noble Pete Gergo III and Lady Jen and Noble Lou Dolente. With the room decorated, the food prepared by Mission Bar-b-que, and the entertainment provided by Noble Ayers, all First Lady Kathy and I had to worry about was having a good time. We had a fantastic time and the Hoe Down was well received by visiting guests.

The Soup and Sing chaired by Lady Jackie and Ill. Sir Ed Blum featured twenty different soups and the vocal stylings of several of our members and off-key singers like myself. I was privileged to have tasted half of the soups offered and found them all to be delicious.

Parades were held in Marcus Hook, Southampton and Ocean City, NJ, each one having a greater number of participants. Keep up the good work LuLu. If you would like to take part, drive a motor unit car or even tow a trailer in a parade, please inform the Colonel of the Units, John Casanover.

Special thanks to the Northeast Shrine Club for hosting another fantastic weekend in Ocean City. The weather cooperated perfectly with sunny skies and warm temperatures. A great time was had by all.

June 28th is Heritage Night and a good time was had by all who attended with tastes of food from around the world.

The Divan heads off to Reno, Nevada and Imperial Convention while those staying home may attend the Rosemont Parade this Fourth of July. On behalf of the entire Divan we wish to extend to each and everyone a safe and healthy holiday and enjoy the summer.

On July 21st the annual LuLu summer picnic will be held as we have done in the past with one exception. This time it will be a BBQ dinner from 5pm to 9pm. Someone recently suggested that we hold a picnic for family and friends to attend. It really is a great idea and one that we have held for several years. If you attend and have fun, you might enjoy taking part in other activities.

Christmas in July (on July 28th) at Shriners Hospital on North Broad Street, starts with a cookout at Constatters'. Watching 400 to 600 bikers rolling down I 95 and up Broad Street with the buildings echoing the noise is a wonderful thing to behold.

Bon-voyage! We're off to Alaska in August. Tell you more upon our return.

Bingo on August 18th, hope to see you there.

LuLu's 50/50 will end with a drawing on September 25 after the Business Meeting. There is still time to purchase 7 tickets for \$100 or one ticket for \$20. Every little bit helps.

Helping kids and having fun, that's what we do.

Recorder's Ramblings

By: Ill. Sir Gary Davis, P.P.

Welcome to summer and this next issue of our Fez magazine. I have several topics to cover for those of you who actually read my articles. First up, what is the meaning of PP?

PP or more precisely P.P. is an abbreviation for Past Potentate.

There is no other use in Shrinedom or Freemasonry. It is similar to P.M. meaning Past Master, but PP means only Past Potentate. Somehow, over the years some have come to incorrectly use it to signify Past President. There is no abbreviation for past president that I am aware of, and I assure you P.P is not it. The answer might be that one needs to spell it out.

The next item is that it appears many unit and club officers may not be aware of the mailbox outside of the Recorder's Office. Yes, there actually is a slotted box for mail for all the units and clubs. Please come by and check if you have mail coming to the Temple. I have heard that checks have become stale waiting for someone to pick up the envelope.

I am happy to report that most of our units have completed the ceiling tile installation in their rooms. Others are in the process of scheduling their work. Once all the rooms have been upgraded and cleaned up, we can open them for our candidates to see and hopefully join. Many of our members are working to improve the facility, making it more precious for all of us.

Finally, I was recently posed the question "How does the Shrine give back to its members?" This was asked clearly in response to the many projects we have going on to repair, upgrade, and improve our facility. Not too long ago, these were impossible, as we could barely cover our bills. Repairs were done on a reactive basis only. The thought of improvements or proactive repairs was not in the mix. Two things changed that. It is only with the land sale income and rental income that we can make this work. Upgrading and modernizing our facility is good for everyone. Our members have a nicer, more modern and beautiful place to meet, and it brings more of our renting public back.

But to answer the question, "how do we give back", I would have to say "subsidies". It is through subsidies that we really give back to our members. Of course, you must participate to enjoy that particular benefit. Many of our members are not aware that most if not all our events are highly subsidized. Think of all the events that are run in any given year. Consider the costs of products like food and ask how we can keep the pricing so low. The answer is that we subsidize the events. Fall MASA is an example of a highly subsidized event. If you don't attend, then you don't take part in or enjoy the subsidy. There really are quite a bit of fun events to choose from.

In the meantime, if you happen to be at the Shrine on a Tuesday, Wednesday, or Thursday, stop by the office and say hello.

Why We Remember and Thank You!

by *Dennis Gold*

It is important we remember the story of the Holocaust and the families involved. We listened to two stories at our annual Holocaust Remembrance meeting on May 14th, and they were interesting, hard to listen to, but valid and important to understand our history. If we learn from history, maybe something like this will not happen again. We remember and listen to stories so we can tell them to our children and their grandchildren. We listen to see how these surviving families and their offspring are flourishing today. We learned about an organization called "3G", the third generation of the Holocaust survivors. We can think of what it would be like today if there weren't 17 million of various nationalities and religions killed during that time.

First it is significant to thank Quaker City-Montco Shrine Club for its existence. Without this club, it is possible that we wouldn't have had the meeting. There are several involved members that made it happen. First Michael Feldsher instituted the meeting some years ago and continues to improve upon the meetings. Mike works hard to set up the speakers, place, and other things that make the meeting a success. Second is Hilary and Andrea Kaufman. They bought the food and set it up and worked very hard to make the meeting a success. Third there is Barry and Vicki Oppenheim for their assistance. We want to thank Bennett Wartman for playing Hatikvah. Additionally, Dennis and Marilyn Gold set up the room and help in other ways. We should also mention those that came. They carried enough to support the club and hear the message.

There is an anonymous donor that gave a contribution last night. Instead of keeping the money we are forwarding it to the Weitzman Jewish Museum in Philadelphia. Thank you! Thank you for being a member and caring about our history and Quaker City-Montco Shrine Club. Because of you we have given \$200 to the Esther Raab Holocaust Museum. We also have given \$500 to Shriners Hospital through the Fin Raise for Love and the LuLu Golf Outing equally.

We thank those that have supported our club and the journey we have taken over the years. We will continue to support your needs and interests.

Hospital Rounds

*By: Ill. Sir Edward D. Blum, P.P.,
Associate Member, Board of Governors*

Happy Summer LuLu Shrine, family and friends. Since the last issue of the Hospital Rounds several different things have taken place around our hospital. The medical team did another successful outreach program in Puerto Rico. They treated over 200 patients while there so it was truly a success.

Dr. Samdani, Dr. Zlotolow and Dr. Kozin have been selected for Philadelphia Magazine's Top Docs for 2024. This is something we should all be proud of. As you all may not know, Terry Diamond was in an auto accident last month and required surgery on her leg. She is at home and is on the mend. Please keep her in your prayers for a speedy recovery.

Don't forget that this September the Walk for Love has been replaced with the Fin Raise for Love at the Adventure Aquarium in Camden, NJ. Tickets are \$75 per person and can be purchased on line at ShrinersPhillyEvent.org. The Event will be on Thursday evening September 19th from 6:00pm to 9:00pm. So please come out and support the Hospital and our children and have a terrific evening at the Aquarium.

This year the Shrine of the month has been reinstated and LuLu will be Shrine of the Month in December. More information regarding this occasion will follow in our next edition.

A Letter from the Shepherds

by Jim Petersen

To my fellow Nobles:

This is a photo that Warren Barnhart took of Scarleth, her mother Liz, and me from our run earlier.

Over the past year, Scarleth's progress has been remarkable. During her physical therapy session near the cafeteria, she moved swiftly and demonstrated incredible improvement. When I shared this observation with Liz, she expressed profound gratitude to the Shriners. She said that we are special people who generously dedicate our time to children in need.

It is hard to express Liz's depth of emotion and how profoundly she feels about the organization and its impact on her and her daughter.

Just wanted to share.

LuLu Klownz are Tops at Clown-A-Rama 2024

by Joel Wolfert, H.P.&P.

LuLu Klownz took the top award for those Shrines with clowns participating and placing in competition at Clown-A-Rama 2024 held in Clarks Summit, PA, on April 19-21 hosted by Irem Shrine. The first competition was for costume and make-up for each class of clowns: whiteface, auguste, character, hobo, tramp, and sixty-five plus. Then there were competitions for one-man, two to four man, and five man plus skits. The final competition was for balloon figures. Points were awarded for the first, second, and third place winners of each competition by class, and points were also awarded of the number of clowns from each Shrine. LuLu Klownz received the grand prize identified as the "Freddie" as our clowns had the highest number of points from the competitions and participation. The "Freddie" has a caricature of Red Skelton, a Shriner and a clown, mounted on a base identifying each shrine by year that wins it at Clown-A-Rama events.

Each LuLu clown was an award-winning clown. Great work by Oarzee and Scotty Ho as this was their first competition and they are now prize-winning clowns! It was a great weekend with camaraderie and mixing with others to see their costumes and skits and to hear what is happening with other clown units or to get caught up with those not seen for a while. The weekend included a Friday night buffet with attendees dressed as their favorite TV character and the formal awards banquet on Saturday night with balloons flying

through the room. We also need to recognize the support of our spouses who attended or allowed their clown to get away for this weekend.

Northeast Shrine Club

By: Ill. Sir Joel H. Brookstein, NESC President 2024

Wow, here it is June already, the year is half gone. Last month we had our Past Presidents' Night and if I say so myself what a great night. Northeast Shrine Club did itself proud. We had 91 signed up attendees for this event. Was it a record for us no, but for the way things are now, it was great. We needed all three sections of Maggio's banquet facility for us. Almost all our Past Presidents were in attendance, we even had our old man in attendance. Past President from way back in 1973 was able to attend, Bobby Crotts who has not been out to one of our meetings in a long while. He was there thanks to Frank Spoltore. Since I was the MC this year, I decided to also introduce the NESC Man of the year recipients. These men receive this recognition in January and they're never mentioned again. I thought it would be nice to introduce all the men that have made NESC into the great club that it is. The first recipient of this award was given out in 1985. I could not prove that this person was actually the first to receive this award, so I had to take him at his word. If you attend our meetings, you would hear his terrible jokes, but Don McMillan is one of the most generous and kindest men I know. I hope he doesn't read this because I will deny I ever said it. I am not sure but I think NESC is the only club or unit that has a night to recognize the people who made them what they are today. NESC should be proud of who they are.

My lovely wife Margie, who is President of the NESC Ladies' Auxiliary,

introduced the Past Ladies' Presidents and there were quite a few of them in attendance. Margie and I thought it would be a good idea to add all the Past Lady Presidents to the form Harry did for the men at the 100th Anniversary Shindig. We added them on the other side. Ladies, you are always welcome to come out to the Ladies Auxiliary meetings which are at Maggio's restaurant on Second Street Pike in Southampton.

Our dinner prices are still the lowest around. The ladies meet on the first Monday of the month, the same as the NESC Board.

We had our Hospital Paper Drive in May. Unfortunately, we had to cancel on Friday because of rain. Luckily Jeff Greene and I started off the Saturday collection and our charming personalities probably made up for most of the shortfall. Thank you, guys and ladies, who worked and those that were cancelled for your help.

NESC Ocean City Family Weekend at the Tahiti Inn is now in the past. We had a large lunch after the parade.

(if there was a parade) Music was provided on Friday and Saturday evenings as usual. We always have a great time and I am sure this year was one of the best.

I guess that's all for now and don't forget if you show up in July and August we won't be there. Have a great, safe summer.

Jackson's Journey

Jackson, like many teenagers, enjoys hobbies like watching TV, boxing, hanging out with friends and playing soccer.

His journey to Shriners Children's began after many years of Botox® treatments, multiple surgeries, and ultimately a referral from his care team for instability in his right shoulder due to cerebral palsy. Without proper intervention, there was a chance he would permanently lose the use of his arm.

Jackson came to Shriners Children's when he was 11 years old. Within five minutes of his first appointment with orthopedic hand surgeon, Chief of Staff Scott Kozin, M.D., it was determined that Jackson had an abnormality of the shoulder joint that was not typical for patients with cerebral palsy.

During that first visit, a care plan was created including scheduling glenoid osteotomy surgery to rebuild the shoulder joint. Today, his shoulder is stable and functional, and Jackson continues to receive weekly occupational therapy, physical therapy and strength training.

I feel blessed that we were able to come here for his shoulder, it was life-changing. Jackson loves going to see Dr. Kozin not only for the improvement in his life, but because he's a really funny guy.
Lisa, Jackson's Mother

Growing up with two older siblings, Jackson was always active, and despite his limitations, he has not allowed his condition to slow him down. He fell in love with the sport of soccer.

Through an online discussion board, Jackson's mom discovered CP Soccer. CP Soccer is an organization founded for children with ambulatory CP, stroke, or traumatic brain injury, to be able to play competitive soccer. Each year, CP Soccer hosts a weeklong summer camp and international tournament.

In 2022, Jackson attended the training camp and was invited to join four other teenagers from across the country to join the U.S. Men's Paralympic Club team for the International Federation of CP Football World Cup Tournament, held in Barcelona, Spain. Jackson and his team won the gold medal in Barcelona, and the group most recently traveled to London, England, to compete.

Locally, Jackson plays for the Inter Connecticut Football Club. "His training with this team has been extremely beneficial in building strength and stretching him to play with typical players," said Lisa.

Jackson is now 15 and has developed a great relationship with Dr. Kozin, and he looks forward to his yearly visits.

Legion of Honor

By: Gary M. Portnoy, PC

2024 May Ladies Night

The Legion of Honor hosted its annual Ladies Night at the May meeting. Hors d'oeuvres and a terrific buffet dinner were provided by the "Street Food" catering company. A fine presentation was received from Lieutenant Susan Gormley Carter, Nuclear Surface Warfare Officer a woman who graduated from the 2002 US Naval Academy class. She spoke about the challenges and opportunities open to woman specifically in the Navy. She served on several vessels, eventually left active service in the Navy and works as a civilian for the Navy in Philadelphia. Her presentation was very well received. Commander Feigel provided gifts to all the ladies in attendance. As always, attendees were very reluctant to leave at the end of the evening after having such a great time.

Flag Retirement Ceremony

On 24 June the Legion of Honor ceremonially retired dozens of US Flags which served honorably, but are now torn, tattered and unserviceable. The solemn ceremony condemns the flags to be destroyed by fire in a dignified ceremony.

Help Support the FEZ by Placing an Ad

We are asking you to support our FEZ magazine this year by placing an ad. Every year the cost of production goes up a little more. We would appreciate any help you can give us in defraying these costs and support your Temple with your ad.

The FEZ is published six times per year. It is distributed to all our members. It is also placed on our LuLu Shriners website where it can be viewed by the public.
