Spring Has Sprung

**Illustrious Sir
Michael S. Feldsher**
Potentate 2025

Flowers are in full bloom, and the crack of bats hitting baseballs signals that spring is upon us! Can you believe we've already completed the first three memorable months of 2025? Time truly flies when we're having fun and creating lasting memories.

Happy Passover and Easter to everyone!

May this season of renewal and celebration bring joy to you and your families.

Let's take a moment to reflect on the incredible events we've shared so far. On March 14th, the day before the Ides of March, we hosted a lively Toga Party Beef and Beer. The event, chaired by our very own Noble Raymond Bloemker and Lady Samantha, was a delightful blend of entertainment from Noble Kyle Venick, savory roast beef, veggie burgers, and vibrant Roman-themed fun. Half the attendees dressed in togas, competing for the "best dressed" title, and everyone enjoyed capturing memories against a Roman-themed backdrop. The laughs kept coming with the hilarious "Not-So-Newlywed Game," hosted by Kyle Venick, featuring Divan couples and our Membership Chairman Stu Konefsky with Lady Debbie. It was a night filled with camaraderie and belly-aching laughter!

The end of March also saw the second installment of our **Cards, Cigar, and Whiskey Night**, following the success of February's gathering. Each of these Friday evening get-togethers has brought over 15 Shriners together to relax, enjoy fellowship, and perhaps even pick up a new card game. We're growing these events as a fun, informal way to connect with fellow Shriners and prospective Masons. Mark your calendars for the next gatherings on April 25th, May 30th, and June 27th! At just \$15, which includes food and drinks,

these evenings are an unbeatable way to unwind and strengthen the bonds of brotherhood. Spread the word and join us!

At the time of this writing, we're especially excited about our upcoming **Breakfast with the Bunny, Easter Carnival, and Easter Egg Hunt**, happening the day before Easter. With even more thrilling carnival games than last year, free digital photos with the Easter Bunny, and an Easter Egg hunt for children under 12, this event promises to be one of our biggest community celebrations.

On May 10th, the evening before Mother's Day, we're thrilled to host a **Murder Mystery Night**, featuring award-winning entertainment by The Murder Mystery Company and mouthwatering BBQ from Sweet Lucy's Smokehouse. At just \$49.99 per person, this evening of suspense, laughter, and delicious food is an incredible value—perfect for a memorable night out with your loved ones. Tickets are going fast, so help us spread the word far and wide!

On May 21st, we'll hold a **Ceremonial and Business Meeting** to welcome new Shriners. This is a pivotal moment for them, and your attendance will showcase the strength of our community and highlight all that makes the Shrine special. Let's give our new members the warmest welcome possible! Kindly RSVP to help us manage costs, and don't forget to refer any prospective candidates to Membership Chairman Stu Konefsky. Exciting incentives await!

Lastly, a heartfelt thank you to all Nobles and Ladies for your unwavering support in making 2025 extraordinary. A special shoutout to HP&P Ray Bloemker for his leadership in chairing multiple events, and to our Recorder, Illustrious Sir Gary Davis and Lady Cheryl, for their guidance to Dana and I. It's your dedication that makes all this possible.

Together, we are creating a vibrant, welcoming community full of fellowship, fun, and unforgettable experiences. Your presence at these events is not only appreciated but essential to their success. Let's continue to thrive, grow, and make memories that will last a lifetime. Again, thank you all for your support!

Recorder's Ramblings

By: Ill. Sir Gary Davis, P.P.

Spring has finally arrived, and winter's crusty grey is being replaced with green. They say that "April showers bring May flowers" but as we expected this past winter to last, everything seems to have bloomed early. As we went into April many of our '25 projects were underway

or recently completed. Our Pote's social events were enjoyed by all who attended. Future events are being planned, and rentals are coming in to fill our open weekends. Now, as we move into May & June, the fruits of our labors are taking bloom. Your Divan collectively works hard towards making LuLu the Pearl she is named after.

As I said in my last article, one of the major projects we planned for 2025 is retrofitting our front lawn sign (the bottom section) with LED digital panels on both sides. It has been in discussion for a long while. This year, since we are using our Merrymac Room for more events, we have decided to install dimmable down lighting. They will give the room a different atmosphere from the classroom we were used too. Many thanks go out to Noble Phil Walter and Ill. Sir Ed Blum, P.P., for their efforts.

Wouldn't it be nice to be able to show off our Unit Rooms at our next (or a future) Ceremonial? Perhaps candidates would be more interested in joining units if they could see some of the history and a more

personal meeting space at LuLu. There is even some talk of converting one of the rooms to a functioning Masonic Lodge room.

By now, you have probably heard that LuLu received a sizable distribution from the estate of the late Ill. Sir Roy (and Lady Sharon) Knauth, Past Potentate 2000. We are planning to continue his wishes by using a small portion to complete the pavilion that he was instrumental in installing. He even sold bricks to raise funds for it and the plaque is hanging in the Merrymac room. It will be named "the Knauth Pavilion" to honor them. It is also planned that the remainder will be used to offset the very great cost in repaving our property, something that is certainly needed.

Many of our members are working in many ways to improve the facility, making it more precious for our Nobility to proudly enjoy.

In the meantime, if you happen to be at the Shrine on a Tuesday, Wednesday, or Thursday, stop by the office and say hello.

Fallsington Parade

The weather rock was dry and the parade was held. Quaker City/Montgomery Co. Fez mobile led the LuLu contingent followed by four cars of the motor unit. The hospital float was pulled by Ill. Sir Dan Scheetz with Chief Rabban Hilary Kaufman waving to the crowds. Dominic Pergolino towed the green shrine float with Scottie-ho and Paul Feigel Sr. PP. There was plenty of room for others to ride on the float, so please join us May 24 in Marcus Hook or May 26 in Bensalem.

Membership

By Stuart Konefsky, Membership Chairman

[mem-ber-ship] noun · *the state of being a member, as of a society or club.* · the status of a member. · the total number of members belonging to an organization, society, etc.

The definition above is from Dictionary.com. It could be from any number of dictionaries actually; this is just the one that popped up on my search. Unfortunately, any way you search it, the word has become a rare one over the past several decades.

According to the research done by Robert D. Putnam, author of the book: "Bowling Alone", our society has been experiencing a serious decline in membership in Societies and Clubs since the 1960's. What once was a badge of honor among our parents and grandparents, has deteriorated into a chaotic mess derided by the past several generations who have become complacent to the benefits of being linked together with like-minded others in a formal construct of in-person meetings and events designed to further our relationships with each other, society and the world in general. The internet has become the method of choice for social engagement, allowing anonymous banter and criticism without social consequence as one can just rename themselves on a whim, or choose to slink into oblivion by cancelling or blocking that which they find distasteful. We have become a society of bullies and over-sensitive misfits who get their feelings hurt by the inanest subjects and politics. Sometimes to the point of destroying entire families in its wake.

In Freemasonry in general and our Shrine in particular, there was a time not long ago where you could witness entire families from generation to generation who would follow each other along our path of enlightenment and brotherhood cheerfully, and with excitement at the prospect of getting involved for the greater good. Masons took their oaths and obligations seriously and followed through. The only competition one would have, was to out-do each other with how we could accomplish great things within our fraternity. We worked together as a team to get things done. There was a time when Past Officers would go out of their way to help their successors succeed. Divans and Cabiri supported their Potentates, and Masons would help in worthy endeavors selflessly without hesitation.

Where is our passion for our Fraternity? Fewer people show up to meetings, and events. We criticize other brothers or Nobles, or we hear cries of "things are too expensive" and yet, many of our members extol each other about their latest exotic vacation or purchase. Since when has our Shrine been about the "cost of participation?" What about the enormous cost of lack of commitment? The lack of support of our fellows! As one Noble has said to me more than once..."We are experiencing the high cost of low expectations".

It was not that long ago that we had contingents of Patrol Members, Shepherds, Clubs and Units galore. We had a String Band, Oriental Band, and a Concert Band. We established the first Legion of Honor, the first Mounted Guard in Shrinedom...at LuLu! At one point we had well over 8,000 members in our Shrine. Clubs were packed with members eager to get together and spend time with each other and make things happen.

I was asked to help by taking an appointment and serve as Member Chair this year. I do not take these requests lightly. So, when I was asked how many new members I thought we should strive for, I took a long look at our membership over the past several years. To say I was alarmed would be an understatement. We are losing more members than we bring in each year to such an extent that we are in peril. From the Black Camel, to apathy, to not engaging interested Masons and new members, our numbers are slipping away at an alarming rate. Last year we had less than 20 new members join LuLu. We lost over twice that number. How can this be?

My answer to the question was: 100 new members for 2025.

We are a part of Shrine History. We have made a difference with our Shepherds, our events, our participation on the Shriners Children's board not to mention the numerous parades, and awards bestowed upon us over more than a century of service to the Shrine and thousands of children! This should be an easy number to achieve. **It's only 10 members per month** and yet we are struggling. So, the next

Working Together Creates a Wonderful Event

By Dennis Gold

On the last Sunday in February at the Center at Hampton House the LuLu Klownz entertained Autistic individuals from their teens to over 50 years old. This is the second time that an event was held with the support of the clowns.

During the event, there was dancing, balloons being shared, and food served. There was a guitarist, and music from a play list. It was held in the community room at the Huntingdon Valley Library.

What was appreciated by everyone was the camaraderie among the guests. Everyone was dancing. It was the first time I had seen balloons two to three feet in diameter. They were being tossed around, and it was wonderful.

Ill. Sir Douglas (Finky) Fink, PP, was the contact for everyone. We also want to thank the ladies that came and helped. They set up, served the food, and then helped with the cleanup.

It would be outstanding if this type of event could be replicated with other groups. All it takes is a little effort by those who care, and it can happen. There are many groups in our communities that would like some time together with a little bit of entertainment and socializing.

News from the MOTOR UNIT

By: Ill. Sir Paul Feigel, P.P.

After several false starts, Noble Arthur Litman, President, will host the Motor Unit meeting at his new house in May. The Super Bowl Party held in February had a good showing even though the hometown Eagles caused many people to stay home. Thanks to Noble Joel and Lady Barbara Wolfert for the vittles and the Birds kicking KC's pride, a good time was had by all who attended.

We still meet the second Thursday of every month in the Motor Unit Room in the basement of LuLu, enter through the kitchen. If you have a motorcycle, antique vehicle or just like to parade, please join us.

Friend to Friend

By Hilary A. Kaufman, Chief Rabban

Friend to Friend has always been the best way to encourage the survival and growth of any organization. This is true of Masonry and the Shrine. The concept is often referred to in business as “word of mouth.” Friend to Friend is more than just “word of mouth.” Trust between friends is an integral element in Freemasonry. When two men trust one another, that bond will enable them to move forward with actions.

Trust between friends is essential, but the subject of their actions is just as important. Freemasonry

and the Shriners are subjects that have substance and value. Modern-day speculative Masonry is the world’s largest and oldest fraternal organization. It is no exaggeration that Masonry has a moral compass that helped the United States’ founding fathers form a more perfect union. Another perfect union combines friendship with trust between men as they discuss how Masonry and the Shrine can contribute to a happy and fulfilling life.

Masonry is the foundation on which the Shrine was built. The Shrine is not a substitute for Masonry but enhances its value in life. The Shrine brings additional fun, fellowship, and service to Masonry.

LuLu Shriners has several social clubs and many clubs and units that enable much camaraderie among the participants, often both men and their ladies.

We thank R. W. Grand Master Larry A. Derr for allowing LuLu to use the Grand Lodge of Pennsylvania Friend to Friend program cover in this article.

Hospital Rounds

By: Ill. Sir Edward D. Blum, PP, Board of Governors Associate Member

Hello brother Shriners, family and friends. Here we are in the middle of 2025. It seems like yesterday that I was writing an article for the January /February Fez.

Last week Jacquie and I transported Jayden Kavetski , his nurse and his Grandmother to the hospital for a Doctor’s visit and his occupational therapy. When we picked him up at his house, he had a painting that his nurse Ruth and Jayden created. The painting was a donation to the Hospital for an auction that was being held for Operation Smile.

The picture to the right was taken in the lobby before he presented it to the hospital.

Jayden is an amazing young man who was paralyzed in a car accident a couple years ago. He is a truly amazing young man with a heart of gold.

Over this past weekend Stephanie Stahl from CBS news ran an article about our Motion analysis lab. It was very informative and if you ever get chance to tour the hospital you should stop into the Motion Analysis lab to see it for yourself.

Motion analysis is a technology that uses data to help analyze how a child walks and moves, Shriners Children’s uses high-speed cameras, reflective markers, force platforms and muscle sensors to to record a child’s movement patterns. The data is then analyzed using computer-generated imagery similar to what you might see in a video game, to model the child’s gait and allow doctors to compare it to a patient without gait differences. Shriners Children’s Corporate

Director of Motion Analysis Centers Ross Chafetz, PT, D.P.T., Ph.D., MPH, said the technology allows doctors to pinpoint exactly where the problem is and more accurately determine the best course of treatment.

“We are the largest network of motion analysis centers in the world under one department,” said Ross Chafetz, corporate doctor of motion analysis centers for Shriners Children’s.

Jackson's Limb Difference

Every year, four of every 10,000 babies will be born with an upper limb deficiency.

When Stephanie and her husband went to their OBGYN for their 16-week ultrasound appointment, doctors were unable to find their son's left forearm and hand. When Jackson was born, he was diagnosed with left upper extremity transverse deficiency, a congenital condition where a portion of the arm does not develop while in utero.

After a referral from his pediatrician when Jackson was just 8 months old, he and his family came to Shriners Children's Philadelphia for their first appointment with Dan Zlotolow, M.D., pediatric orthopedic surgeon, whom he now visits for yearly checkups.

Now 7, Jackson recently began asking his family if he could have a prosthetic arm to help with his daily activities and functions. After fittings and measurements earlier this year, he received his first prosthetic arm, which is imprinted with his favorite sports team, the Philadelphia Phillies. Jackson's arm was custom-made by the staff in the Pediatric Orthotic and Prosthetic Services (POPS) department, and he will return for fittings and adjustments as he continues to grow.

"A prosthetic device has allowed him to feel like a regular kid, improve socialization and enhance his daily functions." - Dan Zlotolow, M.D.,

In addition to appointments with Dr. Zlotolow and the POPS department staff, Jackson periodically works with the occupational therapy team to ensure fit and mastery of his prosthetic arm.

"Jackson is an independent kid! He can do everything on his own, but was ready to explore the world of prosthetics. He chose the Phillies design and was so excited to show it off and try it! Since delivery, he has progressed so much! He can already put it on and remove it without help and was able to easily incorporate it (and win!) a game of Connect 4 with me," said Jaclyn Miley, MS, OTR/L.

"Mrs. Jackie is the sweetest girl ever," said Jackson.

Stephanie, Jackson's mom, is thankful for the amazing care and great support her family receives. They are also incredibly thankful to Dennis, a Shriner from Rajah Shriners in Reading, Pennsylvania, and his wife, Louann, for transporting them to and from appointments.

When Jackson is not in Philadelphia for appointments, he enjoys cheering on Philadelphia sports teams, watching WWE, fishing with his dad, swimming and playing video games.

Across the Sights and Along the Lines of the LuLu Rod and Gun Club

By: Gary M. Portnoy

Fishing Trips/Beaver Run

Early April 6-8 three-day trip to private Beaver Run Fishing and Hunting Club, Dingman's Ferry, PA. It looks as if the participants had a terrific trip. Lots of trout caught.

Jim Rowden with a beautiful pair of trout. I hear that they do not taste like chicken, but they are very mild and fresh tasting.

I'm pretty sure that Chas talked that trout into jumping onto his hook.

Hanging out in the lodge after a tough day of fishing.

Indoor Pistol Shooting

Every other Monday at Conestoga Rod & Gun Club on Street Rd., Trevoise, PA. Contact Club P.P. Tom Spoltore (taspol@gmail.com) for information.

ANNUAL LULU LADIES LUNCHEON

SUNDAY, NOVEMBER 9, 2025

FLYER WILL APPEAR IN THE NEXT 2 ISSUES OF THE FEZ

Membership *(continued from page 10)*

question becomes: How do we to achieve this goal?

The answer is complex, yet simple. All of us as Freemasons have an extended network. Between Lodges, and other Masonic groups we have a huge assortment of brethren in our Oasis that could not only benefit from what LuLu has to offer in general, but what LuLu can offer *them*. The easy answer is “what we do to help Shriner’s Children”. But don’t forget that we offer many opportunities that include our spouses and families. We really need to improve how we get that message out.

More importantly, *every Noble needs to be proactive*. Every Shriner should have a petition available and bring in a candidate. At minimum one a year. Our Officers, our Divan members should be setting the example by bringing in at least one petition per month. Our “Ambassadors” should be doing the same. Then, we need to engage our candidates and keep them close.

If we are to achieve anything in our Shrine, we need to show up, stop complaining, get involved and support our glorious Fraternity.

Only then are we going to thrive in 2025...and beyond.

We are asking you to support our FEZ magazine this year by placing an ad. Every year the cost of production goes up a little more. We would appreciate any help you can give us in defraying these costs and support your Temple with your ad.

The FEZ is published six times per year. It is distributed to all our members. It is also placed on our LuLu Shriners website where it can be viewed by the public.
