

November 19th through November 22nd 2026

The FEZtival of Trees & Lights with Santa is the premier fundraising event for the LuLu Shriners. Our festival is a holiday tradition for thousands of residents from the extended Greater Philadelphia Area. We hope you will consider becoming a part of this popular community event.

We invite our patrons to become your patrons while we distribute free pictures with Santa, Mrs. Claus, and their elves. We provide beautifully decorated Christmas trees to the public in an atmosphere that's nothing less than a spectacular family-oriented holiday experience. Still, there is much more.

We reserve booth spaces for our business sponsors, so there is plenty of time to meet and greet our joyful patrons while they walk through a beautiful inside forest of uniquely decorated trees, view an amazing model train exhibit, enjoy food and refreshments, attend children's activities, and shop the Marketplace. Still, there is much more. Please see our attached flyer and website:

We kindly ask for your help to continue our mission of supporting the world's greatest philanthropy that changes the lives of children across the globe every day. Among the support we provide Lulu transports children free of charge to facilities that provide world-class care for children 21 years of age and younger. Still, there is much more we do to make the world a brighter and happier place. **We will show our community you care!** We thank you for your support: <https://lulushriners.org/>.
